

GUELPH NEWS... by Rose Sell

Nondenominational services are held every Sunday in the Guelph Community Church at 10AM with Pastor Scott Townsend officiating. All are welcome. Dress is casual. Come and enjoy hearing the word of God.

Saturday, the 12th, Delving & Pat Bahls arrived from Perham, MN, to the home of Bob & Judy German. Del started off as one of Bob's customers and turned into lifetime friends. They enjoyed Guelph & surrounding community. After Sunday morning Mass & breakfast, they headed home. Their daughter's mother-in-law is Red Iverson's 1st cousin. Small world!

As the elves were busily sorting for display all their donated Christmas decor, more donations have been coming in so the sorting ramped up. Gail Haussler & Sharon Dudley have added their services which have lightened the load tremendously. All this is in preparation for our upcoming 'OH DEER' CHRISTMAS SALE scheduled for NOVEMBER 8th, from 5-8PM, and NOVEMBER 9th, from 9AM-2PM. There is a festive atmosphere throughout the facility. The gym will be filled with tables laden with Christmas decor. You will also see Fall & Thanksgiving Decor at the usual bargain prices. Besides all this, naturally LUNCH is part & parcel of it all!

After one of Anna Kemmer's classes came out to load our left-over Fall rummage, the trailer has been taken to 'Kids Against Hunger' in Aberdeen. A load of men's clothing has been donated to the New Life Center in Fargo. Several gallons of paint will be taken to Habitats for Humanity in Aberdeen. The rest has gone to recycling. We do our best to

spread the charity. Don't forget St Charles Catholic Church in Oakes is serving up a very fine Fall Turkey Dinner with all the trimmings on Sunday, November 10th. At only \$15 per plate, serving starts at 11AM til gone.

THOUGHT FOR THE WEEK: "If you can't fly, then run. If you can't run, then walk. If you can't walk, then crawl. But whatever you do, you have to keep moving forward." — Martin Luther King Jr.

Chuck and Sue German have made several trips to Fargo in September/October to watch Drew play football for Fargo North, and Aiden to play Fall Baseball for one of the West Fargo teams.

After church on Sunday, October 13, Chuck and Sue German drove to Fargo to have lunch with Andy and Kara Kalbus and family at their home and to celebrate Drew Kalbus' 16th birthday. Before going home they visited Matt and Aiden Kalbus, too, at their Fargo home.

Kathie Hay and Sue German attended the Delta Kappa Gamma Pi chapter meeting at Linda Holm-Peterson's home in rural Verona on Monday, October 14. A delicious supper and fun meeting was had by all, as the hostesses shared their teaching journeys with a lot of memories and laughter by everyone.

Country Rose Homemakers gathered for a supper meeting October 15 at the Angry Beaver Lodge. Eleven members were in attendance where they discussed the Fall Off the Shuelfh and rummage sale results, as well as planning their fall craft for the November meeting.

FUN FACTS ABOUT OAKES

Excerpts from Oakes Centennial Book 1886-1996 by Paul Klinger and Jon Klein

Oakes began its existence as a town on September 1, 1886. The engineers platting the lots on Wednesday, September 15, 1886. Part of the stagecoach line between Jamestown and Columbia, begun in 1880 by a Mr. Benjamine, ran through the center of Oakes on what is now Highway 1. It was the first stagecoach to cross what is now Dickey County. A relay station was located at the crossing with Bear Creek, high on a hill with a railroad lantern on a pole, making it easy to locate night or in bad weather. Occasionally, this had to be an overnight stop, as well as the stop for fresh horses. The house was framed and stood there until it burned down in the 1970's. The bar was a dugout built into the bank of the hill, with room for 16 horses. William Mills worked at this relay station as cook and hotelier. Mr. Mellinger, who later opened a livery stable in Oakes, was the stagecoach driver.

When the town of Oakes was being planned, it was said that John Jones, Oakes' second settler, received \$1,000.00 for his homestead and \$9,000.00 for his tree claim - after Mr. Mills had been reimbursed for an undisclosed sum for his holdings. The town was platted originally for 17 blocks and the streets were made 80 feet wide.
