STATE OF NORTH DAKOTA	DICKEY COUNTY	
MEASURES BALLOT		
Vote by darkening the oval (●) next to the word "YES" or "NO" following the explanation of each measure.		Initiated Constitutional Measure No. 4
Constitutional Measure No. 2 (Senate Concurrent Resolution 4013, 2023 Session Laws, Ch. 598)		This initiated measure would amend sections 1, 14, 15, and 16 and repeal sections 4, 5, 7, 9 and 10 of article X of the North Dakota Constitution. It would prohibit political subdivisions from levying any tax on the assessed value of real or personal property, except for the payment of bonded indebtedness incurred through a certain date, and would require the state to provide replacement payments to political subdivisions of no less than the current real property tax levies. It would limit the debt of a political subdivision to an amount not to exceed two and one-half percent of the full and true value of the real property in the political subdivision; however, by a vote, an incorporated city could increase its indebtedness to four percent and a school district could increase its indebtedness to five percent. It would allow an incorporated city to become indebted in an amount not exceeding two percent of its full and true value for water and sewer projects. It would require a political subdivision incurring indebtedness to provide for annual revenues to pay the debt payments when due and would prohibit a political subdivision from issuing general obligation bonds secured with tax levied on the assessed value of property.
This constitutional measure would amend and reenact sections 2, 3, 4, and 9 of article III of the Constitution of North Dakota, relating to initiated constitutional amendments. The proposed amendments would require both constitutional and non-constitutional initiated measures to be limited to one subject as determined by the Secretary of State, who may not approve the initiated petition if it comprises more than one subject; require that measure sponsors be qualified electors; require that only qualified electors may circulate a petition; require petition signers to provide a complete residential address; and increase the number of signatures required to place a constitutional initiated measure on the ballot from four percent to five percent of the North Dakota resident population. Additionally, the proposed amendments would require that constitutional initiated measures approved by the Secretary of State be voted upon by the voters at the next primary election and, if approved by a majority of the voters, voted upon at the general election immediately following the primary election; if the measure fails at either the primary or general election, the measure is deemed failed.		The estimated fiscal impact of this measure is \$3.15 billion increase in biennial expenditures to the state beginning in the 2025-2027 biennium.
The estimated fiscal impact of this measure is none.		<input type="radio"/> Yes - Means you approve the measure as summarized above.
<input type="radio"/> Yes - Means you approve the measure as summarized above.		<input type="radio"/> No - Means you reject the measure as summarized above.
<input type="radio"/> No - Means you reject the measure as summarized above.		Initiated Statutory Measure No. 5
Constitutional Measure No. 3 (House Concurrent Resolution 3033, 2023 Session Laws, Ch. 596)		This initiated measure would create a new chapter of the North Dakota Century Code. It would allow for the production, processing, and sale of cannabis and the possession and use of various forms of cannabis by individuals who are 21 years of age and older; direct a state entity to regulate and register adult use cannabis production businesses, dispensaries, and their agents; provide protections for individuals who are 21 years of age or older who use cannabis; provide penalties for violations of the chapter; preserve certain employer rights regarding use of cannabis products by employees; supersede local ordinances that otherwise would prohibit the purchase, sale, use, delivery, or growing of cannabis by or to individuals 21 years of age or older; and provide that fees must be appropriated for administration of this chapter.
This constitutional measure would amend and reenact section 26 of article X of the Constitution of North Dakota, relating to spending and transfers from the legacy fund. The measure intends to decrease the amount of principal available for spending each biennium and clarify the distributions from the legacy fund. The proposed amendments would require transfers and earnings accruing prior to July 1, 2017 to be deemed as the principal of the legacy fund; reduce the amount of the principal of the legacy fund available to be expended during a biennium from fifteen percent to five percent; require the state investment board to invest the moneys in the legacy fund, not limited to the principal; and on July first of odd-numbered years, require the state treasurer to make a distribution of the legacy fund earnings into a legacy earnings fund.		The estimated fiscal impact of this measure includes revenues of \$10,227,600, expenses of \$8,324,275, and an undetermined amount of additional costs associated with behavioral health and social impacts for the 2025-2027 biennium.
The estimated fiscal impact of this measure is none.		<input type="radio"/> Yes - Means you approve the measure as summarized above.
<input type="radio"/> Yes - Means you approve the measure as summarized above.		<input type="radio"/> No - Means you reject the measure as summarized above.

VOTE YES ON MEASURE 4 ELIMINATION OF PROPERTY TAXES - DON'T LET FEAR WIN!

- Outside Interests, Politicians & Lobbyists are spreading misinformation because they want to keep their power and control
- The State will be mandated to replace all Property Taxes to Emmons County including our schools, fire departments, hospitals, senior services. All Entities who rely on Property Taxes
- County Officials will NOT have to beg the state for funds. Any money needed in excess of the 2024 budget will be raised in a fair and more transparent way.
- No Revenue or Services will be lost
- Local Subdivisions will keep 100% control

ND HAS ENOUGH REVENUE!

INSTEAD OF PROVIDING PROPERTY TAX RELIEF FOR YOU - BUDGET INCREASES & WASTEFUL SPENDING

- \$105 million budget increase for the Commerce Department (+47%)
- \$97 million budget increase NDSU Research Center (79%)
- \$76 million budget increase for Parks & Rec (119%)
- \$57 million budget increase for Department of Environment Quality (94%)
- \$125 million grant for NextEra Fertilizer Plant
- \$45 million for the Mr Wonderful Wonder Fund
- \$2 million to pay private businesses to hire foreigners
- \$26 million to private drone companies
- \$3 million to a private company to study the woolly mammoth

These are a few examples of the reckless spending in our state. Next week, learn about state-held funds that are available for property tax relief and more overspending that could have funded your property tax bill. Visit www.endpropertytax.com

For The Pen To Be Mightier Than The Sword, It Must Have Paper.

Words on paper. They will always be the most powerful tools human beings use to communicate. They place no limits on how much we can say, and the furthest reaches of the imagination are the only limits on what we can show. They have the power to make complex ideas simple, and simple ideas powerful. We do more than read them, we hold them. And, from the advertising we see in public cautions to the letters we receive in the mail, the things we hold in our hands have the quickest routes to our hearts.

Say It In Print.
