Blessings From Mountrail Bethel Home

By Chuck Repnow, Activities Coordinator
We are looking forward to the groundbreaking for the new nursing home which will be at 11 a.m. on Wednesday, July 17th in our Courtyard. Everyone is welcome to attend.
Monday opened with devotions and reflection on dreams. Balloon Noodle tennis was next. They so enjoy playing this fun exercise game and this week 50's music was playing in the background. Residents gathered at 10 a.m. for the reading of short stories. Residents enjoy this time and the conversation that goes with it. Card playing took the residents to dinnertime. Our afternoon brought bingo with homemade rhubarb sauce. The rhubarb has been beautiful this summer and residents enjoy it, and they also have fond memories of growing, picking and enjoying rhubarb. Connecting residents with a memory of the past such as rhubarb is always a great idea.
Tuesday started with Verb Generation, the word game that assists in keeping our minds active. Our word for the day was actor. Residents listed 25 verbs that describe what an actor does. Exercise for core and balance came next with the use of stretch bands and light weights. Did you know that President Jimmy Carter was a fan of Rock and Roll? His never-ending passion for music gave him an unexpected edge as a presidential candidate. Our activity took a look at his interest in music and how he tapped into this force that transcended divides. Playing Scrabble and Yahtzee at 11 a.m. took residents to dinnertime. Our afternoon is one we were looking forward to. Would you agree that there are some beautiful and moving patriotic songs? The talented hands of Bonita Ledene played a variety of music in our lobby and much of it was patriotic songs. Her piano playing started at 2 p.m. in the lobby area. We cooled down the day by playing July IQ. This is an engaging activity, and residents connect with it. Here is a sample question... "Which JULY event occurred first in history?" A. The bikini bathing suit debuted; B. The French Revolution began; C. Elias Howe invented the sewing machine. Residents had great fun coming up with answers and in the end, we learned something.
Wednesday opens with nail care being offered in the activity room. Our movie star of the week is Natalie Wood who was born on July 20, 1938. The groundbreaking for the new nursing home will take place at 11 a.m. in the courtyard. Lobby music will be provided by my wife, Jan Repnow, who enjoys playing a variety of hymns with my favorites being, "I Asked the Lord," and "When We Pray." I am looking forward to this, as I love it when she plays. Reading the Promoter News will start in the afternoon and residents always look forward to this and sometimes we end up doing it again later in the day for residents who may have missed this first reading. Our afternoon movie is one that is close to my heart and the very first movie that I saw in the Rose Theater in Underwood with my oldest brother and his date. My brother, Tom, was not too happy, more about that later. Penelope stars (Natalie Wood)

Dodge Deluxe. Our week of fun with fashions continues as residents are encouraged to "Wear a Hat to Bingo." Outdoor strolls starting at 4 p.m. will conclude our afternoon.
Saturday opens with devotions and will be followed by Beach Ball Exercise. At 10:30 a.m. residents are invited to come and talk about the North Dakota State Fair which starts this week. Reflections on exhibits they entered, rides they liked and foods they enjoyed will all be part of the conversation. Rummikub players will gather for a game at 11 a.m. Current events will open the afternoon and be followed by a tour to Cumberland Gap Historical National Park. Residents are then invited to play Higher and Lower cards. Our lobby movie will start at 5:30 p.m. and it is The Sting starring Robert Redford and Paul Newman.
Sunday brings a new volunteer to our chapel service team. Chuck Krantz, from Powers Lake. Krantz was a former principal at Central Campus in Minot. He and his wife, Sue, serve as directors at Camp Bentley near Drake, ND in the summer. We look forward to welcoming Chuck.
