CENTRAL STEEL
BUILDING & CONSTRUCTION

A special message from Richard Nysted

To: My customers and friends

There comes a time in our lives that we all slow down and try to take it a little easier!! I've reached that goal. At the end of this December, I've decided to call it "Quits". Dallas Beckman, Todd Lyman and Jesse Zak will be taking over for me. All of them have been around the grain bin business for years and look forward to helping you with anything that comes up.

I've enjoyed working with all of you over the past 33 years at Central Steel. "Thanks for everything!!"

Richard Nysted

Check out our new website: centralsteel.co

We just hired Jesse Zak as an outside salesman/service tech. Jesse comes to us having been a grain bin dealer (selling and installing Shivvers systems for 14 years), a Shivvers District Sales Manager (4 years) and a GSI District Sales Manager (4 years). Jesse has a vast knowledge of selling, installing and servicing both Shivvers and GSI Mixed Flow Dryer's. With Jesse and Todd on our team we are ready and willing to service your dryer needs by doing pre-seasons on both the Shivvers and GSI dryers and performing any service-related work you may need. We look forward to hearing from you.
