“Ministering to One Another and All Who Come to Us for Care”

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.

Civil Rights - Title VI Assurances. The Bottineau Municipal Airport Authority, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, businesses will be afforded full and fair opportunity to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, or national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in consideration for an award.

Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity

1. The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.

2. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Timetables

Goals for minority participation for each trade: 0.7%

Goals for female participation in each trade: 6.9%

These goals are applicable to all of the contractor's construction work (whether or not it is Federal or federally-assisted) performed in the covered area. If the contractor performs construction work in a geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the contractor also is subject to the goals for both its federally involved and non-federally involved construction.

The Contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a), and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

3. The Contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs (OFCCP) within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

4. As used in this notice and in the contract resulting from this solicitation, the "covered area" is Bottineau County, Bottineau, North Dakota.

Federal Funding. The award of the contract is subject to approval of the Federal Aviation Administration and availability of federal funding. See instruction to bidders for additional information.

BABE RUTH BASEBALL

Slugs take 3 of 4 games

Staff reports

Bottineau's Babe Ruth baseball team is fresh off a successful week, taking three of four games.

After dropping a 1-0 decision last Monday against Cando, where the DiamondSlugs outfit Cando 3-2 but still lost, Bottineau bounced back with two blowout wins Thursday against Dunseith.

Three RBIs from Dawson Guss, plus two apiece from Mason Lauckner and Austin Getzlaff, saw Bottineau roll to a 14-4 win in Thursday's opener, before Clint Seykora drove in three runs in a 19-4

win in the rematch. Tyson and Austin Getzlaff drove in another two runs each.

Seykora then went the distance on the mound in a 15-0, four-inning win Friday at Harvey. He struck out six batters and allowed just one hit. Bristol and Griffin Reitan had three RBIs apiece from the Nos. 1 and 3 spots in Bottineau's lineup, while Guss and Mason Bristol added two RBIs apiece.

Bottineau was scheduled to host Devils Lake this Monday after press time. The Slugs host Rugby on Tuesday before visiting Devils Lake on Wednesday.

DCB men's hockey coach Travis Rybchinski poses during the NJCAA Coaches Legacy Awards ceremony last week in Charlotte, N.C. (Photo courtesy NJCAA)

■ NJCAA Ctd. from 1B

“I used to go to the national meetings all the time, and they’ve now moved their offices from Colorado to Charlotte, so it’s different,” said Rybchinski, who led DCB to seven NJCAA national titles, including the last-ever junior college hockey championship in 2016.

“They’ve gotten to a higher level with marketing and business and everything. It’s not just a small operation anymore, but a pretty big business, and it was cool. They did a really nice job, and their new president (Christopher Parker) wants to honor the past, so that’s why they did what they did.

“There might’ve been one or two other sports that the NJCAA doesn’t have anymore, whose coaches they honored, and it was just like with every other sport,” Rybchinski continued. “The message they harped on was that they want to honor their legacy, and they keyed on the coaches. It was pretty neat.”

Warren spent 16 years behind DCB's bench, leading the Jacks to NJCAA national titles in 1986, 1991 and 1998. He later served for nine seasons coaching at Minnesota Crookston, and in 2019, he joined UMC's Athletics Hall of Fame. In total, he spent 37 years in college athletics, either as a coach or as an administrator.

Rybchinski's NJCAA-era teams included 42 junior college All-Americans and 22 NJCAA Academic All-Americans. He also earned seven NJCAA national tournament coaching awards.

It's coming up on 10 years since DCB switched, out of necessity, to the American Collegiate Hockey Association, which is almost exclusively made up of member teams from four-year institutions.

“I hadn't really thought of those days until I was there, seeing the NJCAA logos and a 20-foot inflatable version of a NJCAA national championship trophy,” Rybchinski said of the Charlotte trip. “It was a

really good feeling to be there, and I wish we still had NJCAA hockey, but it is what it is, and I think we're good where we're at, but that brought a lot of good memories back.

“A lot of it for me was remembering players we've had in the past. We've had such good guys, and guys who I coached in my first few years have kids growing up now, and it's crazy how long it's been. We had some really good times out there, and a guy I sat beside at our table was from Broome (N.Y.) Community College, and we talked about how they hosted nationals. It was neat to remember that, because that's where we won our last title.

“This was just a neat way to cap all that off,” Rybchinski continued. “because when (NJCAA hockey) was done, I felt I might not ever hear from the NJCAA again, but it was a good honor to receive.

“We are lucky at DCB, because our community and administration have really supported hockey over the years.”
