Today in history:

good Marshall joined the

and sank the escort ship
HMS Curacao in the North
Atlantic, killing over 300
crew members aboard the
Curacao.

body of water, people must
remember to follow North Dakota
regulations:
Remove aquatic vegetation
before leaving the water access
and do not import into North
Dakota.
Drain all water before leaving
the water access.
Remove drain plugs and devices
that hold back water and leave

In addition to North Dakota reg-

Clean – remove plants, animals
and excessive mud prior to leav-

Drain – drain all water prior to
leaving a water access.
Dry – allow equipment to dry
