Shirley Gartner

June 14, 1946 - September 30, 2025

Shirley Ann Gartner passed away on September 30, 2025, at her home in Medford, Oregon.

Shirley was born on June 14, 1946, to Art and Elizabeth (Rath) Dockter. She was the third child among her siblings, LeRoy,

Betty, Rodney and Beverly.

She received her education at Hurdsfield Public School. Shirley married Robert Gartner on January 4, 1964. They had two daughters, Tammy DeHay and Lori. She was blessed with three grandchildren and two great-grandchildren, whom Shirley cherished.

Shirley loved Sudoku puzzles and could easily solve them in a short while. She also loved hummingbirds, going for walks and rides up to “their” mountain.

She will be deeply missed, but has moved on to bigger and better things and is in perfect health.

The family would like to extend a huge thank you to all who were friends to Shirley, as well as to all who have sent thoughts, prayers and condolences during this time.

Rest in peace, Shirley.

Bringing your green thumb indoors for the year

By Kelsey Deckert
Horticulture agent
NDSU Extension - Burleigh County

Fall is among us and the change of temperatures has been very evident the past week. Gardens have been put to bed. I’m guessing this time of year brings gardeners mixed emotions, with some very happy to have a break and that the growing season over. Others are sad and look for ways to keep their “green thumb” busy. There are some outdoor tasks that can still be done to make the most of the time we have outside, such as raking leaves or starting a compost pile.

If you are ready to bring your green thumb indoors for the year, I’ve got an idea for you. The holiday season is approaching,

and nothing is better than giving a meaningful gift. Now is a perfect time to start propagating plants! Not only will you continue to enjoy the love of gardening, but you will also have gifts of plants to share with your friends.

Propagating houseplants is very easy and an affordable way to have a special gift or just to increase your own number of houseplants. The most common way to propagate your plant is through vegetative cuttings.

Cuttings come from an actively growing plant from which you

will cut a stem, leaf or branch to start a new plant. For a branch cutting, remove a piece that is 3 to 6 inches long and has at least two nodes on it. If you are cutting a stem, remove a piece that is 2 to 3 inches long with two nodes. For a leaf cutting, leave no more than one-half inch of the petiole.

There are several media types to get roots to develop from your cuttings. Water is the easiest media that works well for any type of cutting. You can also use sand, vermiculite and perlite. You need to avoid using garden soil, as it can contain diseases, weed seeds, and won’t have the proper drainage or aeration needed for the roots to grow.

One thing to consider to speed up the root development, is

dipping your cuttings into a rooting hormone. Only a small amount is needed. Simply dip the cutting into the powder and then gently tap the cutting to remove any excess.

Today there are many propagation stations available that are aesthetically pleasing that will add to your office or home décor. Many big box stores and online websites offer a variety of stations to choose from.

If you are ready to get a jumpstart on gift shopping and bring your “green thumb” indoors, consider propagating the plants you already have!

For more information about propagating plants, contact your local NDSU Extension agent. Find the Extension office for your county at ndsu.ag/countyoffice.

WHEREAS, the City Council of the City of Harvey has assessed the need to amend Chapter 3, Article 2, to provide for administrative enforcement of ordinances relating to nuisances on private property within the City; NOW THEREFORE, BE IT HEREBY ORDAINED by the City Council of the City of Harvey, that Chapter 3, Article 2, SECTIONS 03.0209, 03.0210, 03.0211 and 03.0212 shall hereby be amended to read as follows: SECTION I. AMENDMENT. 3.0209 TEMPORARY PROHIBITION OF PARKING — GENERALLY. Whenever, in the judgement of the City Auditor or the Chief of Police, Public Works Director, and Mayor that a snow emergency exists and declare a snow emergency, it shall be necessary that streets, alleys or public ways in the city be cleared of snow or ice. It shall be unlawful to park or leave standing any motor vehicle, vehicle, trailers, motor homes, or other conveyances on any street or avenue designated as snow emergency routes during the time period the snow emergency is declared and in force. 3.0210 DESIGNATION OF AREA; NOTICE. Whenever it becomes necessary, as provided in section 3.0209 of this chapter, to remove snow or ice from city streets, or there shall be declared an emergency for traffic purposes in the city, there shall be designated by any one of the City Auditor, Public Works Director, Mayor, and Police Chief or their designees, the area and streets to be cleared of snow or ice or the area of the emergency, and the time during which such snow or ice removal shall be done or emergency shall exist. Notice shall be given by publishing such notice describing the areas, streets, and public ways from which snow or ice is to be removed, or emergency exists, and hours which such work will be done. Publication shall be made by submitting such notice to the official newspaper of the City of Harvey, to all licensed radio stations and television stations in the City of Harvey, North Dakota, franchises operating cable services within the City of Harvey and placing such notice upon the official website of the City of Harvey. Such notice shall be deemed effective upon any such publication or posting. In the event an emergency has been declared, all parking prohibitions shall remain in effect until the emergency has been terminated by any one of the City Auditor, Public Works Director, Mayor, Police Chief or their designees. Whenever the Public Works Director deems it feasible so to do, he may post signs in the area from which snow or ice is to be removed or in which street sweeping or cleaning is to be done, such signs to bear a statement substantially as follows: “No parking between signs in the hours of 4:00 a.m. through 7:00 a.m.”, or words of similar import; and it shall be unlawful for any person to park or leave standing, in any block in which such sign shall have been posted, any automobile, truck or vehicle between the hours set forth in such notice, whether such notice as described in this section of this chapter was published or not published. 3.0211 VIOLATIONS. From and after the time fixed by such notice as published, broadcasted or posted pursuant to sections 3.0209 and 3.0210, it shall be unlawful for any person to park or leave standing on any street, alley, or public way in the city, identified in the public notice, any automobile, truck, trailer, conveyance or other vehicle between the hours set forth in the notice as published or in the event an emergency has been declared, until such emergency has been terminated by any one of the City Auditor, Public Works Director, Mayor, Police Chief or their designees. Violation of this section is a nonmoving violation and subject to a Ten Dollar (\$10.00) fine as follows:

3.0212 REMOVAL OF ILLEGALLY PARKED. Whenever any automobile, truck or other vehicle remains parked or is left standing on any street, alley or public way during the time and within the area for which notice to remove or notice prohibiting parking in such area has been given, either by publication or by posting as set forth in this article, such vehicle shall be removed by or under the direction of the police department of the city to some location selected by the police department, and such vehicle shall be kept and retained by the police department until the costs of such removal have been paid and until the owner or legal possessor of such automobile, truck or vehicle properly identifies himself as being the person entitled to the possession of such automobile,

truck or other vehicle. It shall be unlawful for any person to take or attempt to take such automobile, truck or other vehicle from the place where stored as aforesaid until such vehicle is released by the police department of the city and until costs of such removal have been paid. There shall be determined, as the costs incident to the removal and storage of automobiles, trucks or other vehicles as provided by this article, a sum to be fixed by resolution of the city council. Such sum shall be charged at such time as storage facilities are available to the city for each automobile, truck or other vehicle removed from the place where parked when so parked or left standing in violation of this article. 3.0213 AUTHORITY TO IMPOUND VEHICLES (a) Members of the police department are hereby authorized to remove or cause to be removed, any vehicle from within the city to the nearest garage or other place of safety, or to a garage designated or otherwise maintained by the city, under the circumstances enumerated as follows: (1) When any vehicle is abandoned or left unattended upon any street, bridge, causeway or viaduct and is so parked illegally as to constitute a hazard or obstruction to normal movement of traffic. (2) The person or persons in charge of such vehicle are unable to provide for its custody or removal. (3) When any vehicle is left unattended and illegally parked in violation of this Code. (4) Report has been received that such vehicle has been stolen or taken

without the consent of its owner. (5) When the person driving or in control of such vehicle is arrested for an alleged offense for which the officer is required by law to take the person arrested before a proper municipal judge without unnecessary delay. (6) For purpose of investigation when there is good cause to believe that such vehicle was used in violation of this chapter. (7) Any vehicle when there is cause to believe that such vehicle has been stolen or abandoned. (8) Whenever such impoundment is authorized by all other provisions of the city of Harvey Municipal Code.

(b) Whenever an officer removes a vehicle as authorized in this section and the officer knows or is able to ascertain from the registration records in the vehicle the name and address of the owner thereof, such officer shall immediately give or cause to be given notice in writing to such owner of the fact of such removal and the reason therefor and of the place to which such vehicle has been removed. In the event any such vehicle is stored in a public garage, a copy of such notice shall be given to the proprietor of such garage. (c) The owner may reclaim such impounded vehicle upon payment to the garage, company or person removing the same, all costs necessarily incurred in the removal and impoundment of such vehicle. Any costs paid hereunder shall in no manner relieve the owner of criminal liability for violation of this Code.

SECTION II: REPEAL. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed.

SECTION III: EFFECTIVE DATE. This Ordinance shall become effective upon its passage and publication as required by law.

3.211 Removal of Snow and Ice
