HOROSCOPE | EUGENIA LAST

ARIES (March 21-April 19): Dig in, and don't stop until you finish what you start. Your willpower and imagination will work to help you effectively coordinate your time and talent. Speak up, get answers and be the one to make a difference. Your drive and determination are your ticket to success. Live in the moment. 3 stars

TAURUS (April 20-May 20): Your desire for change will help you achieve your goals. Share your thoughts, promote your ideas and separate yourself from the crowd. A physical activity will lead to an interesting conversation and connection with someone who shares your beliefs. Put your ideas and theory to the test, and you'll gain ground. 3 stars

GEMINI (May 21-June 20): You'll get a different perspective if you are open to suggestions. A passionate discussion will grant you the vision to see new possibilities. Extend yourself if it will help you connect with someone of interest. You have plenty to gain through social activity, networking and expanding your circle of friends. Romance is favored. 5 stars

CANCER (June 21-July 22): Take a timeout, rethink your strategy and sit tight until you feel confident that any changes you want to enforce will fall into

place and benefit you long-term. Change can be good, but it must be well-thought-out and executed with finesse. Refuse to let anyone pressure you into acting in haste. 2 stars

LEO (July 23-Aug. 22): Open a few doors, and opportunity will appear. The emotional landscape is changing, and charm and ingenuity will help you gain support to expand your interests. You are a leader, so take your place at the forefront and begin your ascent. It's time to inject something new and exciting into what makes you feel passionate. 4 stars

VIRGO (Aug. 23-Sept. 22): Stop, look, listen and evaluate. You may be anxious to get started, put things behind you and move on to something different, but when warning signs appear, you are best to take note and protect yourself at all costs. Pay attention to precision, detail and timing; you'll know when to move. 3 stars

LIBRA (Sept. 23-Oct. 22): An open mind and heart will carry you forward. Attend events and do your part, and you'll feel good and connect with people who have as much to offer as you. Engage in social gatherings and pastimes that motivate you to stay healthy, active and helpful. Make love,

romance and personal growth a priority. 3 stars

SCORPIO (Oct. 23-Nov. 21): Change is up to you, but before you mess with matters, consider your motives and the extended effects. A wrong move can set you back or cause opposition and controversy with someone you need on your team. Rethink your strategy and change anything that has the potential to compromise or alienate you. 3 stars

SAGITTARIUS (Nov. 22-Dec. 21): Call on the people with the best qualifications for your pursuit. Home improvements, fighting for rights and making upgrades will make life, work and prosperity better. Set your sights on what motivates you, and move forward with enthusiasm and the intent to improve your position, prospects and personal connections. Romance is favored. 4 stars

CAPRICORN (Dec. 22-Jan. 19): Push your agenda boldly, and you'll draw the attention of those who can help you spin favorable results. Use facts and intelligence to avoid opposition and setbacks. Pave the way forward with competence, authority and promotion, but refrain from donating money you can't afford to lose or signing contracts without legal advice. 2 stars

AQUARIUS (Jan. 20-Feb. 18): You are on the right track, and time is of the essence. Distance yourself from wafflers and those who can disrupt your schedule, costing you time, money and reputation. Control is necessary to avoid disruptions, so put yourself, your plans and your future first. Networking and sharing your vision will pay off handsomely. 5 stars

PISCES (Feb. 19-March 20): Stick to basics, simplify situations and don't believe everything you hear. Do your due diligence and speak up if you disagree. Protect your name, position and cash from fast-talkers, scammers and those trying to exploit you. Empty promises will tempt you. When confusion sets in, let doubt be your savior. 3 stars

Birthday Baby: You are curious, imaginative and outspoken. You are charming and kind.

1 star: Avoid conflicts; work behind the scenes. 2 stars: You can accomplish, but don't rely on others. 3 stars: Focus and you'll reach your goals. 4 stars: Aim high; start new projects. 5 stars: Nothing can stop you; go for gold.
