**City Of Tappen Special Meeting
Concerning Ordinances
March 24, 2025**

The meeting was called to order. Members present were Brice Barnick, Doug Kinnischzke, Dale Dockter, Pete Martin and Mike Pfaff. Abigail Geroux, with Dalsted & Ryan, P.C., was present to go over some of our current ordinances and discuss new ones we would like drafted.

Issues that were discussed:

1. Mobile homes and other move in structures. One suggestion was to have these buildings pre-inspected by a qualified inspector (at the owner's expense). This would help assure that a sub-standard building is not being moved in. Ms. Geroux will do some research and decide the best way to go about this. She advised we not be our own inspector, as this could cause issues if a problem arises.

2. Set backs. Discussion was held on how far trees, buildings and fences should be from the property line. A sample ordinance will be drafted and adjustments made from there.

Ms. Geroux suggested the city look into getting a "Model Code" from the League of Cities. This would update our codes and also make them digital. She is willing to help us with this if we decided to pursue it. The board will purchase a copy, look it over, and go from there. Ms. Geroux will wait to hear what the board decides before starting work on our new ordinances.

Being there was no further busi- ness, the meeting was adjourned.
