

Thank You

To all of our familyand friends for all the support we received when Nick was so sick!

For the phone calls, text mes-sages we received wondering how he was doing and all the offers I received to see if I needed any help with anything. And for all the prayers, condolences , cards and memorials Nick received in his memory after he passed away.

A special thank you to Flashes Place and staff for all the work they did setting up and organizing

the food for Nick’s Celebration of Life .

It was truly amazing all the family and friends that were able to attend. He would of been so proud to know he had a great send off because he loved everyone.

We will forever miss him and never forget him.
