NOTICE IS HEREBY GIVEN that the Board of County Commissioners of Emmons County, North Dakota, will meet on July 7, 2026, beginning at 9:00 a.m. at the Courtroom of the Emmons County Courthouse, 100 4th Street NW, Linton, North Dakota, for the purpose of holding a public hearing on a proposal that the City issue revenue bonds, in one or more series, under the Municipal Industrial Development Act, Chapter 40-57, Dakota N.D.C.C., in an aggregate principal amount not to exceed \$8,000,000 (the "Bonds"), in order to finance the Project described below.

The proceeds of the Bonds will be loaned by the City to the University of Mary, a North Dakota nonprofit corporation (the "University") for the following purposes:

(1) to refund and refinance a short term bank loan issued on May 14, 2026, the proceeds of which were used to currently refund and refinance the then outstanding principal balance of Burleigh County, North Dakota's Education Facilities Revenue Bonds (University of Mary Project) Series 2016 (the "Refunding Project"), the proceeds of which were previously used to finance certain capital projects at the University's campus, located at 7500 University Drive, Bismarck, North Dakota (the "Campus"); and

(2) to finance certain costs of planning, permitting, constructing, improving, furnishing and/or equipping additional capital projects located on the Campus (the "Improvement Project"), including but not limited to (a) a new athletics complex and related master landscaping, (b) a new campus welcome center, (c) a new residence hall, (d) various functionally related and subordinate facilities, and (e) reimbursement of the University for certain costs previously incurred by the University with respect to the Improvement Project (the Refunding Project and the Improvement Project being collectively the "Project"); and

(3) to pay the costs of issuing the Bonds.

The Project being financed, refinanced, or reimbursed from the proceeds of the Bonds will be owned and operated by the University and used in an integrated operation of the University. The Bonds will be issued as qualified 501(c)(3) bonds under Section 145 of the Internal Revenue Code of 1986, as amended.

The bonds shall be limited obligations of the City payable solely from the revenue provided by the University and pledged to the payment thereof. No holder of any such bonds shall ever have the right to compel any exercise of the taxing power of the City to pay the bonds, or the interest thereon, nor to enforce payment against any property of the City.

The University is an institution of higher education with facilities in Bismarck, North Dakota, and competitors are hereby notified of that fact pursuant to Chapter 40-57, N.D.C.C. All persons interested may appear and be heard at the time and place set forth above or may submit their views in writing prior to the time specified for the public hearing.
