Ministerial Moments

Rev. Carl Black

Crosswinds Community Church

"And the three men I admire most, the Father, Son, and the Holy Ghost; they caught the last train to the coast, the day the music died"--- 1971 ballad "American Pie" lyrics. Acts 1-2 records the arrival of the Holy Spirit 50 days after Jesus' resurrection. Jesus promised Holy Spirit would come to the 120 early followers as they waited in an Upper Room. Something unbelievable was soon to happen. As the Cross brought healing and the Resurrection brought hope, so the Holy Spirit was to bring help. Prior to Holy Spirit filling, some spent a Last Supper with Jesus. One left early to betray Him, others made claims they would never deny Jesus, and some even spent time arguing who was the greatest. They brought all this "stuff" to an Upper Room where they spent 10 days doing what? We aren't given details. Oh, to be a fly

on the wall in that room! Perhaps some soul searching, some confessions, some apologies, some sharing? This we do know---after the Holy Spirit came upon them, they were different. There was no arguing over position, no mention of failing, falling away, or backsliding into sinful behaviors. Holy Spirit did exactly what Jesus said He would do--reveal truth, guide, provide, protect, and more. The question that remains is this: Has Holy Spirit impacted YOUR life? MY life? The Word of God implies we need the leading of the Holy Spirit. There seems to be a need for surrender, of yielding our will to His. The "fire" of the Spirit is not only to burn up the chaff, the Sin, in us, but to also purify and power us. "Wait... for power" were some of Jesus' last words before leaving his friends. Are you waiting? Are you willing? Do you experience the help of the Holy Ghost?

Sponsor a flag during Mandan's Independence Day Celebration

By Brendan DeLuca-Rodenberg

Every year, the Mandan Progress Organization and City of Mandan work to host North Dakota's oldest and largest Independence Day celebration- and with the 250th anniversary of the United States coming up in July, they promise that the 2026 celebration will be the greatest yet. And now, thanks to a new potential sponsorship offer, anyone can be part of it.

According to a press release from the Mandan Progress Organization, America's 250th birthday is the perfect time to add more

patriotic decorations to the city's downtown area, while celebrating both the nation and the people who call Mandan home. To help with this goal, the MPO is installing 44 new American flags on light poles in Dykshoorn and Heritage Parks, as well as on Main Street from Collins Avenue to 4th Avenue.

As part of this commitment to 'leaving a lasting legacy' in Mandan, they are now opening the floor for sponsorship opportunities to those who want to play a role in this momentous occasion.

In exchange for a \$250 donation, anyone can dedicate a flag and

customized message to anyone or anything they choose- including families, businesses, loved ones, and the deceased.

The plaques forged for sponsors will proudly display alongside the flags in Mandan for decades. Sponsorship, they state, is not only a way to have a long-standing impact on the community, but also a way to beautify it while honoring one's country and showing their patriotism.

More information on the program, including how to sponsor a flag yourself, can be found at bit.ly/mandanamerican-250flags.
