

Commish from front: Rohweder says goal is to establish clear procedures

Wishek. That process would include having the state's attorney and Wishek's city attorney draft a joint-jurisdiction agreement spelling out how decisions will be made.

Rohweder said the goal is to establish clear procedures for notice, review, hearings, and dispute resolution. "We need to start communication with the city... and the attorneys would be the best to have those conversations initially," she said.

The meeting also included the resignation of longtime committee member Gary Hoffman, who has served on both

the original and current zoning committees for decades. Members expressed appreciation for his service. Several names will be forwarded to county commissioners for consideration. Hoffman described the past year as an "interesting process" and encouraged members to "keep up the hard work."

Because the county commissioners moved their June meeting to June 3 for equalization, the next zoning committee meeting is scheduled for June 2 at 7 p.m.

bail at \$1 million cash only. "I do have concerns of Mr. Gomez being a danger to the community as well as a potential flight risk," LeFevre said.

The McIntosh County Sheriff's Department is made up of the sheriff and two deputies.

Delzer and the deputy are on standard administrative leave because they fired their guns.

Delzer says a Logan County deputy will be living in the county temporarily to provide law enforcement coverage.

The Wishek Police Department and North Dakota Highway Patrol will also help as needed.

The North Dakota Bureau of Criminal Investigation has taken over the investigation of the shooting.

Mr. Schmidt explained there's a total of 9 students coming next year from Zeeland—4 are open enrolled and the other 5 have submitted tuition share agreements. The Ashley district will get the per pupil payments for all the students, however since the Zeeland school is non-operating for another year, they will have to pay Ashley the difference between the per pupil payment and the per student cost of education for those 5 on the tuition share agreements. Mr. Schmidt reported 26/27 Title money is estimated at \$182,000—final allocations are released in July.

Transportation—still working on a driver for the Zeeland route. Discussion on the need for another minibus-- board members directed Mr. Schmidt to advertise for bids & then will hold a special meeting as soon as those are available.

Three students qualified for National FBLA (1 senior, 2 JH)—board policy has been to pay \$500 per student, however at the time that was put in place, only 9-12 students were involved and JH students were not allowed to go to the state competition. APRIL 15, 2026:

The Ashley school board held a special meeting on Wednesday, April 15, 2026 at 7:30am in the conference room. Present: Lyle Fey, Jordan Jenner, Amy Schlepp, Corey Ulmer (via phone), Jason Schmidt, Chris Doane, Teresa Dockter. Ross Litsey was absent.

Agenda: 1)Bus purchase, 2) Ancillary staff—motion by Jenner to approve the agenda. Second by Schlepp, motion

carried unanimously.

Mr. Schmidt reported that as he gathered bus information, he discovered that the district is a member of Sourcewell, which is a cooperative purchasing program. Sourcewell does all the competitive bidding for the purchaser, which saves time and ensures fair and competitive pricing and relieves the district of going through the bidding process on our own. Many districts purchase buses using this method. Research on minibus prices: Harlow's \$106,000; Foreman \$103,000 (2026) or \$93,500 (new 2024—full warranty). He stated Forman would have the 2024 ready for school start and will do a July billing. Motion by Jenner to purchase the 2024 minibus from Forman Sales (without cruise control) for \$93,500. Second by Schlepp, motion carried unanimously.

Reviewed the updated ancillary information requested by board members which included \$3 wage realignments for the business manager, head custodian, head cook and assistant cook to bring those into a competitive market range based on area salaries and experience. Motion by Ulmer to approve a \$3 wage realignment for the four positions discussed and a 4% raise for the remaining ancillary staff. Second by Jenner, motion carried unanimously.

Motion by Schlepp to adjourn, second by Jenner. Motion carried unanimously, meeting adjourned at 7:47am.
