2) has not knowingly entered into any contract or subcontract for this

project with person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.
