NOTICE FOR BIDS

The City of Oakes hereby requests sealed bids for removal of five existing furnaces and installation of five new furnaces to fully functional status at the city water plant. Prospective bidders are required to view the existing condition and structure in person before submitting any bids. The City reserves the right to accept the best bid or the highest bid or the best and highest bid or to reject any and all bids for any reason and is not required to accept any bid at any time. If two bids are considered substantially similar in the City Council's sole discretion, then such substantially similar bidders will be invited to participate in an oral bid off of competing bids to be conducted at the same time sealed bids are opened. Proposals received by the City prior to the advertising of this request for bids will be considered by the City Council as if received as a sealed bid according to the terms set forth above. All bids must be received by December 4th at 4:00pm.
