

NOTICE TO EDDY COUNTY VOTERS

I, Jamie Allmaras, have pulled my name from the ballot for Eddy County Commissioner.

I would like to thank everyone who supported me during my past 4-year term.

I would also like to go on record that I fully support Dave Gehrtz for county commission. Dave is more dedicated than any other candidate on the ballot and has put county and his employees above all else and I'm sure he'll continue to do so, both in the county and all the various boards we get put on as commissioners. Ask any employee about his dedication and progressive, common sense approach to the problems we face.

A very small group of radicals have targeted Dave relentlessly to discredit him. I can tell you every one of the accusations have been false. The countless lawsuits to date have all been thrown out of court with no merit, every last one!

These people have gone township to township to smear his name. Dave is not for big billboards or yard signs, he's for our county and community.

Thanks again,
Jamie Allmaras
