Sunny's Greenhouse is open! Stop in and sign up for one of 20 gift cards. Sponsored by Westhope Senior Citizens.

Drawing to be held
May 21st

Pancakes with Paramedics

by Annika Grann

Sunday morning from 9-1 our amazing volunteers from the ambulance put on a pancake breakfast. Not only are they talented EMTs, but great cooks as well! They had smells of pancakes, sausage, eggs, orange juice, and a delicious huckleberry syrup drifting down mainstreet. It was set up as a free will offering, and all proceeds go towards projects the ambulance may need to do in the future. The members in charge of the event said this is a great way to

give back to the community, and seeing all the faces of the people they serve makes it all the more worthwhile. A community member stated how much of a huge commitment this is for volunteers and that perhaps we don't realize how much work these guys actually do. Making more than just pancakes, they're creating relationships amongst the community. They talked and interacted with community members all morning, sharing laughs, taking pictures, and even jokingly planning the next generation of EMTs.

Left to right- Kylie Karpen, Nora Braaten, Logan Brodehl, Brooks Braaten, Landon Brodehl.

2026 Girls Basketball Awards Ceremony

Thursday evening, our girls basketball team held their annual award ceremony, meant to honor their hard work and dedication throughout the season. Families came together to recognize the team's accomplishments, both on and off the court. Coaches proudly presented awards chosen for the girls by their own teammates or decided by stats taken during the season. At the event, several girls were presented awards. Avery Boll was awarded the "Ms. Defense" award for her strong defensive determination. "Most improved"

was awarded to Bridget Kopplin for the growth and progress she has worked hard to achieve this year. Lydia Bryans was recognized for the "Best FG%" and "Ms. Offense" for her consistency in both those statistics. Several honors were earned by Macy Bryans, including "Best Ft%", "Most Rebounds", "Most Points", and "Most Assists" this recognizing her all around leadership on the court. Marleigh Henry was awarded "Most Steals" due to her quick defense and talent around stealing the ball. Additionally both

Dear Members of the Westhope Public School District,

I am writing to announce my interest in serving on the Westhope Public School Board. Being a lifelong member of the Westhope community and a graduate of Westhope Public School, I have a deep appreciation for the values our school and community instill in our youth. With my own children now attending Westhope Public School, I am committed to helping ensure the continued strength and success of our district for future generations.

My professional experience as a Human Resource & Accounting Director allows me to bring experience in responsible financial management, teamwork, communication, and problem-solving. In this role, I regularly manage budgets, work through complex issues, navigate changing regulations, and collaborate with diverse groups to achieve effective and desirable outcomes.

I remain actively involved in our community and school by helping with PTO events, volunteering, coaching T-ball, attending school functions, and supporting school fundraising efforts. I also serve as a volunteer EMT and driver for the Westhope Ambulance Service, reflecting my commitment to serving the community and surrounding areas.

Supporting staff and retaining educators will be a key priority, as I believe student success is closely connected to the well-being of our educators. It is important that each student can learn and excel in a safe, positive, and welcoming environment each day.

It would be a privilege to serve the families and residents in the Westhope community as a member of the Westhope Public School Board.

Be sure to get out and vote to let your voice be heard.
