Why do we publish insurance abstracts?

Because the North Dakota Century Code says so.

During the 69th Legislative Assembly, the North Dakota Legislature enacted House Bill 1398, which modified the publishing requirements for insurance companies doing business in North Dakota, as it relates to publication of the Company Abstract of Statement. Under N.D.C.C. § 26.1-03-10 as amended by House Bill 1398, an insurance company shall submit an abstract of the annual statement on the form prescribed by the commissioner.

This abstract must be published at least three times in a newspaper of general circulation and evenly distributed for publication across all newspapers operating in each of the state's eight judicial districts. Proof of publication must be filed with the commissioner within four months after the filing of the annual statement.

The modifications made under House Bill 1398 during the 69th Legislative Assembly require all insurance companies to publish their Abstract in all eight judicial districts.

Payment for publication of these notices comes from the insurance company, not state government.
