

Earth Day activity plows through windy weather

On April 8, the Owls Group hosted its annual Earth Day event, though extreme winds forced a last-minute change of location. Instead of being held at the park, activities were moved indoors to the armory and fair barn.

Despite the adjustment, participants were able to take part in a wide variety of hands-on stations focused on environmental learning and creativity. Activities included making UV-altering keychains, sprouting seeds, racing minnows, building LEGO animals, recycling challenges, Earth Day trivia, fishing practice, and constructing insect hotels.

The indoor setup still allowed students and participants to stay engaged while avoiding unsafe weather conditions. The event maintained its focus on environmental awareness and interactive learning, even without the outdoor setting originally planned.

HETTINGER PUBLIC SCHOOL OWLS GROUP hosted their annual Earth Day event indoors to escape the extreme winds and cool temperatures.

Hettinger City Summer Rec Program in desperate need of coaches

Hettinger Park Board President Ryan Sott, has stated May 6 will be the signup date for the Summer Rec Programs and swimming lessons. The signups are to take place in the pool class room after the Elementary Spring Concert which is slated for 1:30 p.m. that afternoon.

The Park Board is offering Tball, Coach Pitch for 7 to 9 year olds, Little League for 10 to 12 year olds, Babe Ruth League 13 to 15 year olds and girl's softball

with two age levels 10 & under and 14 & under depending upon the ability to hire coaches. Registration fees should be posted in May.

In order to figure out which sport is open to your children the birthday cut off date is May 1. For example, if your child turns 13 before May 1, they will be in Babe Ruth or if they turn 13 after May 1, they will be in Little League.

To be able to offer all these sports opportunities to the area's youth, the Park Board must

have coaches. Each division is in desperate need of a coach and assistant coach. If you have interest or know of anyone that would be interested, please reach out to either Ryan Sott (call or text) at 701-690-5085 or the Adams County Courthouse in the auditor's office.

The board is also still in need of a campground manager.
