### ATTENTION BARLEY GROWERS

The North Dakota Barley Council election for Sioux County will take place on Thursday, February 26, 2026, at 10:00 a.m. (CT) at the Senior Center, 43 Main Street N, in Selfridge, ND.

### ELECTION

Each person, landlord, tenant, husband and/or wife who planted Barley in 2025 or intends to plant Barley in 2026 and who has not claimed any barley tax refund within the past year (except for duplicate payments), are eligible electors and can be candidates.

For more information, contact the North Dakota Barley Council at (701) 929-0123.

2/12, 2/19

### HISTORIC BRIDGE AVAILABLE FOR ADOPTION AND PUBLIC INPUT SOUGHT

Grant County, in cooperation with the North Dakota Department of Transportation and Federal Highway Administration, is proposing work on one bridge along 52nd Ave SW, south-southwest of St. Gertrude, ND. The Project Number is BRJ-0019(026); NDDOT # 23711.

1) Bridge 19-131-47.0 is a single-span, Warren, pony truss bridge constructed in the 1920s and relocated to the current location between 1957 and 1970. It is approximately 82 feet long and 21 ft wide (curb to curb). The bridge crosses Cedar Creek approximately 16 miles south and 6 miles west of St. Gertrude, ND. This bridge will be removed and replaced with a new bridge. Since this bridge is listed in the National Register of Historical Places, FHWA has determined that its removal constitutes an Adverse Effect on it, and for the project as well. Hence, public comment is sought on both of these Adverse Effect determinations.

Further, since this historic bridge could be relocated while maintaining historic integrity, it must be offered for adoption to any responsible state, local, or private entity willing to take over, relocate, and preserve the bridge at a new location (23 U.S.C. 144). Any entity willing to "adopt" the bridge would have to agree to maintain it and assume all future legal and financial liability, as well as liability for the structural integrity and safe use of the structure. The bridge needs to be relocated prior to road closure work, scheduled to begin in the 2026 construction season.

Any parties interested in adopting Bridge 19-131-47.0 or wishing to comment on the National Register and/or Adverse Effect determinations above should respond by February 14, 2026 to John Sauber Jr., PE/PLS, Project Manager, Sauber Engineering Inc., phone -(701)751-5993, email - [jsauber@sauberengineering.com](mailto:jsauber@sauberengineering.com), or mail - 2401 46th Ave SE, Suite 110, PO Box 399, Mandan, ND 58554.
