

PUBLIC NOTICE

TO GRANT COUNTY LANDOWNERS OR OPERATORS

Notice is hereby given to all landowners or operators to cut all weeds and grasses adjoining their lands to a maximum of three inches along those roads defined as roadways by Grant County Board of Commissioners including weeds and grass growing within the public right-of-way bordering such highways and their lands. Such cutting shall be October 1, 2026. Cutting with a swather is not adequate and a minimum of 13 feet must be cut using a mower. If the weeds and grasses are not cut along county roads or if cut and not cut adequately to prevent snow buildup, the county will mow the weeds and grasses and charge the adjacent landowner at a rate of \$250.00 per mile. The actual cost shall be charged against the land or the landowner and shall become part of the taxes to be levied against the land for the ensuing year. Also, if hay or bales remain in the ditches of county roads after November 1, 2026, the county will remove the hay bales and the landowner may redeem them by paying the cost of removal.
