Game & Fish

Special Allocation Lottery App Deadline

Nonprofit organizations eligible to receive big game hunting licenses in 2024 must have the application submitted to the North Dakota Game and Fish Department no later than Jan. 1.

North Dakota state law provides direction for the Game and Fish director to allocate big game hunting licenses to eligible organizations. Under this directive, up to two elk, moose and pronghorn licenses, and 10 white-tailed deer licenses, can be issued to organizations for fundraising.

Eligible organizations must be exempt from federal income taxation under section 501(c)(3), and must provide proof from the Internal Revenue Service to that effect.

In addition, organizations must be active and in good standing with the office of the North Dakota Secretary of State.

Successful lottery applicants must agree to donate at least 10% of the net proceeds of any license fundraiser to a conservation-related project, such as hunting access, conservation education, habitat development or shooting range management.

Mountain Lion Zone 1 Late Season Opens

North Dakota's early mountain lion season in Zone 1 closed Nov. 26, and the late season, when hunters can pursue lions with dogs, is open.

During the early season, hunters took six cats from a harvest limit of eight. Under the season structure, a conditional season could open five days after the late season closes for hunters to pursue the

additional two mountain lions that were not taken.

The late season in Zone 1 is scheduled to run through March 31, 2024, or until the harvest limit is reached. The late season harvest limit is seven total lions or three female lions, whichever comes first.

Hunters are advised to check the status of the late season by visiting the North Dakota Game and Fish Department website, gf.nd.gov.

Zone 1 includes land in western North Dakota south of ND Highway 1804 from the Montana border to the point where ND Highway 1804 lies directly across Lake Sakakawea from ND Highway 8, crossing Lake Sakakawea, then south along ND Highway 8 to ND Highway 200, then west on ND Highway 200 to U.S. Highway 85, then south on U.S. Highway 85 to the South Dakota border.

The mountain lion season in

Zone 2, which is the rest of the state outside Zone 1, has no harvest limit and is open through

March 31, 2024. The mountain lion season is open only to North Dakota residents. Hunters need a furbearer or combination license to participate.

Salmon Spawn Completed

Fisheries crews completed their annual salmon spawning operation on the Missouri River System, collecting 944,000 eggs.

North Dakota Game and Fish Department Missouri River System fisheries supervisor Russ Kinzler said this year was more of a challenge to collect eggs.

"The spawn started about a week later than normal and then the cold weather at the end of October shut down egg collections before the spawning crew could meet the

goal of 1 million eggs," Kinzler

The eggs collected should be enough to stock the 300,000 smolts planned for Lake Sakakawea in 2024.

This year all the eggs were collected from Lake Sakakawea, unlike past years when some eggs were taken from fish in the Missouri River. The average size of female salmon was 4.4 pounds, which is about half a pound smaller than last year. The largest salmon was 8.5 pounds.

Chinook salmon begin their spawning run in October. Since salmon cannot naturally reproduce in North Dakota, Game and Fish personnel capture the fish and transport them to Garrison Dam National Fish Hatchery where they are relieved of their

Once the eggs hatch, young salmon spend about 6 months in the hatchery before being stocked in Lake Sakakawea.

Late Season **Hunting Dates**

Duck hunting in the high plains unit reopens Dec. 9 and continues through Dec. 31.

In addition, the season for Canada geese closes Dec. 16 in the eastern zone, Dec. 21 in the western zone and Dec. 29 in the Missouri River zone. Light goose hunting closes statewide Dec. 29.

Archery deer, fall turkey, sharptailed and ruffed grouse, partridge and pheasant hunting seasons continue through Jan. 7.

The season for tree squirrels closes Feb. 29.

ABBREVIATED NOTICE OF INTENT TO ADOPT, AMEND, AND REPEAL **ADMINISTRATIVE RULES**

RELATING TO State Board of Water Well Contractors Operations TAKE NOTICE that the

State Board of Water Well

Contractors will hold a public hearing to address proposed changes to the

N.D. Admin. Code Title 90 at 10:30am on January 26, 2024, at 1200 Memorial Highway, Bismarck ND 58504. A link will be provided at www.dwr. nd.gov for online participation.

A copy of the proposed rules may be obtained by writing the Department of Water Resources at 1200 Memorial Highway, Bismarck ND 58504, calling 701-328-2795, or online at www.dwr.nd.gov. Also, written comments may be submitted to Department of Water Resources, 1200 Memorial Highway, Bismarck ND 58504, or via email to asebach@nd.gov with the subject "Administrative Code Comments," until 5 pm February 5, 2024. If any accommodations are needed related to this rule update or public hearing attendance, please contact the Department of Water Resources' Civil Rights Compliance Coordinator, Chris Kadrmas, at 101-328-1956 or ckadrmas@nd.gov at least 24-hours prior to the public hearing. Dated this 1st day of December, 2023. /s/ Kati Arneson Administrative Assistant, North Dakota State Board of Water Well Contractors
