4) Dickey County #3 east of Oakes is dependent on the flexible transportation funding to pave it. Work on this project could begin once the bidding process-

ing was complete. Our cost would be \$200,000. The discussion earlier was to use the DustPods product on that section of road in 2024 for road stabilization and dust control prior to any paving work.

Monday, the 15th, the Guelph Community Development meeting was held with 11 members present. Maintenance issues were discussed along with upcoming events. The double ovens in the kitchen needed to be replaced which was a big hit on the budget. Installation of a watering system for the memorial trees was worked out and will be delved into shortly. Grant applications was another source of revenue to be investigated. The volunteerism we have in this community is remarkable!

There was a circus atmosphere at our facility this last week. The Post-Prom Committee was busy decorating the gym to look like a huge circus tent and setting up games of every sort. Of course, there has to be food for these young people so that base was covered, also. These caring parents go thru so much work for their young people.

Are you ready? It's time for our Spring Fling! Doors open on Friday

from 5:00-8:00 p.m. and then again on Saturday from 9:00 a.m.-2:00 p.m. The gym is full of vendors selling their products which are quite fascinating. The rest of the facility has bargains just too good to resist! See you there!

Tuesday, the 16th, Rod and Rose headed for Fergus Falls. Besides doing business, they got to see their daughter and son-in-law, Renae and Steve Lindgren. From there they went on to Fargo, where they met their son and daughter-in-law, Russ and Kristy Sell, at Doolittles to share a meal and catch up. Then it was time for the finale for the day, a Jazz Concert at MSUM in which their grandson, Nixin, was a percussionist. Even tho' it was a windy rainy day it was all worth it.

Jeanne joined a group of ladies on Friday at Carma Forward's house near Moberg to encourage her during her cancer treatments. They returned home Sunday mission accomplished with lots of card playing, laughter and of course food.

Saturday evening Ross and Larry Thorpe made a trek to Rosholt, SD, to view the Grand March in which Tate and Halle Gaukler were participants.
