Carlson made a motion to sign the resolution. Holm seconded. Until clarification on the proposal is received, the motion was placed on hold.

Hokana made a motion to open the abatement hearing. Holm seconded. Motion carried.

Flaherty presented six property owners that have filed homestead credit applications for the tax years of 2022 and 2023. Discussion followed concerning contracts with Vanguard to complete programming for our property assessment information to be available online. Radermacher stated she has concerns with the presented contracts and has not discussed with the Vanguard contact about any changes. Radermacher will work with Vanguard to finalize the contracts.

Sheppard discussed the setting of polling locations in Dickey County for the 2024 Primary and General elections. Discussion included the limited options in the cities of Oakes and Ellendale. KLJ Engineer Bryan Tykwinski, DES/911 Coordinator Charlie Russell, and Highway Superintendent Jeff Hagen joined the meeting at 10:45.

The meeting went into recess at 10:45 and returned at 10:50.

Discussion followed concerning the location for a storage building for the Sheriff's office, Health District, and the Highway Department. The amount in the 2024 budget is not enough to complete a building, but the project could begin. The locations discussed were to add on to the current weed board building or purchase land across the road from the building, which has a partial building on the property that could be available for sale. The owner of the property has stated that the land could be available for sale. Walsh made a motion to offer \$25,000 to Hans Gruner to purchase the property across the road from the weed board building. Holm seconded. Roll call was unanimous. Motion carried. Radermacher will compile a purchase agreement that Chair Walsh will sign and present to the owner. Hagen stated the road staff has been laying rubber on county road #8 as well. Tykwinski stated that he has new information on the flexible funding opportunity through the ND Department of Transportation.

Estes requested an increase in the credit limit on their Visa card to \$3,500. The Sheriff's office has transport trips

in the next few months that are causing the need for the increase. Hokana made a motion to increase the credit limit to \$3,500. Holm seconded. Roll call was unanimous. Motion carried.

Russell discussed with the Commission on upcoming weather conditions.

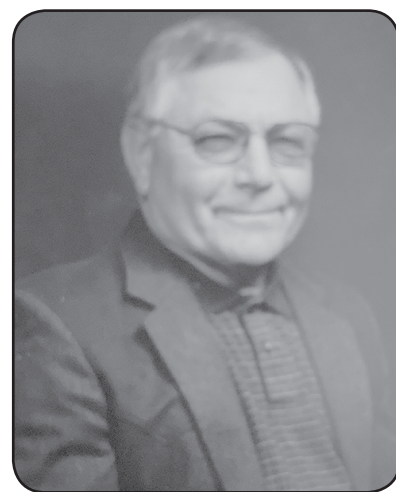

Holm motioned to adjourn at 11:40.

He worked hard and played hard, too.

He moved to Sioux City, IA, after retiring, living near Judy Dunn's family for about eight years. He recently moved to Kempner, TX in 2021 to live with his daughter, Janeen and Andrew Garza until his passing.

## GUELPH NEWS...

Nondenominational services are available to attend at the Guelph Community Church. This happens every Sunday at 10:00 a.m. with Pastor Scott Townsend officiating. All are welcome and dress is casual.

Robert, Erica, Lily, and Beau Thorpe along with John, Amy,

Paige, David, and Hailey Bakke took an amazing Easter vacation to the Dutch island of Aruba where they vacationed for seven days. While in Aruba they enjoyed snorkeling, a jeep tour of the island, and the boys were able to do some fishing. They all agreed they would recommend Aruba to others. The weather was always perfect, the beaches are beautiful, and the island is friendly and safe.

Rod and Rose Sell rolled back into the area on Tuesday, the 9th, after a great winter in AZ. Their

detour on the way home always includes a visit to Lompoc, CA, to see Rose's sister, Joan Maddock, for a week or so. The trip home was uneventful which is a big plus.

The Guelph Community Center was the destination for the Ladies Ag Night on Tuesday evening, the 9th, sponsored by the James River Soil Conservation. Over 70 ladies enjoyed a fun evening. The Soil Conservation Board members served a delicious meal. Drawings for beautiful baskets and candles were held. A speaker came from NDSU who is a Master Gardener coordinator spoke on the benefits of micro-greens and how to

grow them yourself. Several went home with starter kits. The guests were also offered a sneak peak to our Spring Fling items (an added perk for the evening).

It won't be long now!! Our Spring Fling event is slated for Friday, April 26 from 5:00 p.m.-8:00 p.m. and Saturday, April 27 from 9:00 a.m.-2:00 p.m. As always, you'll have access to a great lunch on both days as you peruse our many rooms of fantastic items for unreal prices. Added to this is a gym full of vendors with a wide variety of wares to peak your interest. This is not to be missed!

But we're not done yet! We also have our Guelph Community rummage sale which will be held the next weekend, Friday, May 3, from 5:00-8:00 p.m. and Saturday, May 4, from 9:00 a.m.-2:00 p.m. This has always been a real crowd pleaser as the gym

will be overflowing with gently used and new items from people have donated for the benefit of our community facility. All the proceeds from these events that are held go toward the maintenance and improvements of the building and grounds.

On Thursday, Rod and Rose needed to make a trip to Aberdeen. The big treat was to be able to see their grandson, Caleb, and his fiancée, Shaunay Jones, to share a meal and have a nice long visit.

The sympathy of the Guelph Community is extended to the family of Audrey Enger, a long-time resident in the Guelph area, who passed way March 18. She and her husband, Clarence, were always so supportive of our community projects and events. We all fondly remember her smiling face.

Sue German accompanied her grandson, Drew Kalbus, to a Saxophone Masterclass at NDSU, featuring the US Air Force Saxophone Quartet on Saturday, April 6. Drew, a freshman at Fargo North, plays bari sax in the freshman band and jazz band. She spent time with Andy and Kara and family afterwards, and had supper together before returning home.

Chuck and Sue German attended the Red River High School musical, "Once Upon This Island" with Rachel and Ben on Friday

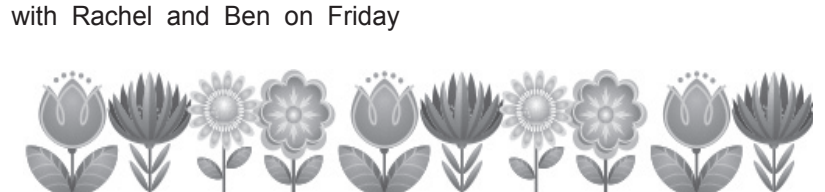

night, April 12. Apryl was a member of the cast; it was a fabulous show! Afterwards other guests of Rachel and Ben at their home were Taylor and Carli Jordan and friend Will.

Saturday, April 13, Rachel, Ben and Sue German helped Carli Jordan and friends clean and move things to the new location of the "Cheer Tech" gym. Carli will be become the new owner on May 1. They took things over and started arranging things at the new gym. It was exciting to see the progress in just one day! That afternoon Sue drove to Fargo to visit with Andy and Kara Kalbus and take pictures of Olivia and her date for the Fargo North prom. Brody drove his dad's 1968 Cadillac. Lastly, Sue went to dinner with Matt and Aiden Kalbus to catch up with them before heading home later Saturday night.

On Sunday, April 14, Sue German and Kathie Hay attended the musical church service at the Methodist Church in Oakes honoring their friend, Shirley Olson, who has recently moved to Fargo. It was fun to visit with Shirley's children, Brian, Nicole, and Hope, who also attended.

THOUGHT FOR THE WEEK: "The weak can never forgive. Forgiveness is the attribute of the strong."
