

Thank You

The New Leipzig Fire Department would like to thank everyone for their generous support throughout this past year. What a wonderful evening it was for our Pit BBQ supper. We had such a great turnout! We would like to send a special thanks to Dakota Community Bank & Trust for donating the money to pay for all the food and supplies to make this year's Oktoberfest fundraiser an even bigger success. We would also like to thank everyone that has been a long time supporter and donor to the department. The safety of our fire district relies heavily on the support from our community to keep our gear up to date, and we couldn't do it without you. From all of the volunteers on the New Leipzig Fire Department. THANK YOU!

Grant County Ag Day

Fall is finally (sort of) in the air! For those of you who don't know, that means our Grant County Ag Day is right around the corner. The annual Grant County Ag Day was started many years ago by the Crop & Livestock Improvement Board. The board has since moved on and although they are no longer an acting board, we still have an Ag Day committee to guide and direct the planning of a Grant County Ag Day every year. This event was developed to celebrate our local agriculture,

support our local businesses, and provide helpful information and resources to our local farmers and ranchers.

Grant County Ag Day is a community program open to the public that rotates yearly between Carson, Elgin, and New Leipzig. This year it is set to be held on Wednesday, November 13 in Carson at the Grant County Fair Building.

This will be our 24th Annual Grant County Ag Day, and we have an exciting evening program lined up for the community! From noon

to 3:00 pm. MT there will be a youth program for the surrounding school's 4th and 5th grade classes, with educational stations presented by the Grant County and Flasher FFA Chapters. Then at 5:00 pm. we will start our evening program for the public.

At 5:00 p.m. the Ag Day Committee will start serving supper as we are treated to some local talent and the Bluestems perform. So be sure to stop in for a free burger and listen to some excellent bluegrass music! Following supper, we will have a

panel discussion on the current Market Outlook and upcoming Farm Bill.

Two guest speakers will be available for Q&A, Bryon Parman, NDSU Extension Agricultural Finance Specialist and David Ripplinger, NDSU Extension Bioproducts/Bioenergy Economist. We have a truly exciting schedule this year for presentations along with door prizes available for anyone who attends, so save the date and bring the family! Hope to see you there!

KATRINA CHRISTIANSEN FOR U.S. SENATE

Katrina isn't taking 1 penny of corporate PAC money and supports Term Limits.

She wants to:

- Secure the Border
- Lower Prescription Drug Prices
- Protect Social Security and Medicare
- Fight for Family Farms

KATRINA FOR U.S. SENATE

Katrina Christiansen's journey is a testament to resilience. During the 1980's farm crisis, her family lost the farm. Katrina grew up in poverty and received the help of federal programs like food stamps, W.I.C. and Head Start. She defied the odds, becoming her high school valedictorian and earning a PhD in Agricultural Engineering. Katrina is a successful engineer with three patents to help our farmers. Now a dedicated wife and mother of three, Katrina deeply understands the needs of working people because she has lived them! Her experience makes her a powerful voice for our rural communities in the U.S. Senate.

Katrina is running for the Senate to fight for you!
