FM Golden Notes returning to Music in the City Park Bandshell July 31

Music in the City Park Bandshell on Wednesday, July 31 will feature the FM Golden Notes New Horizons Band from Fargo-Moorhead. They will begin playing at 7:15 pm. Several from the surrounding area is part of this group.

The FM Golden Notes has been with us at City Park for a few years. They always bring great

Pictured above, FM Golden Notes, performing last year in Valley City on City Park Bandshell. Submitted photo musicians and entertainment. The New Horizons Bands organization was first organized in 2005. One individual, Jim Kinlaw, was looking for an opportunity to learn to play an instrument and eventually

play music with others. A key contact for Jim was meeting Dr. Michael Thrasher, at church. Michael was part of the music staff at NDSU. Jim asked him if he could teach him to play music. He kindly said, "Sure." Michael recommended the alto sax as an instrument and started his lessons. After about a year Dr. Thrasher thought it was time for Jim to play with other musicians. He introduced Jim to an organization called the "New Horizons Bands," whose very purpose is to allow former musicians who hadn't played since high school or college, or even with no experience to play music together. Shortly other contacts were made. Dr. Ed Christianson a notable Fargo musician and teacher, took upon himself, the task of directing the fledgling band. The New Horizons Band in the Fargo-Moorhead area was generously fostered from the beginning by North Dakota State University by providing the group of older musicians a place to rehearse each week during the school year using their band practice room.

In the years that followed they added and lost members until today

they number nearly 40 musicians. All of those in the band consider the band "family" to be about more than just playing music. It is also a rich social connection to others where many have formed warm friendships.

The FM Golden Notes fill a special musical niche in this community. The band motto is, "Your best is good enough."

Bring your family and enjoy the evening with neighbors & friends! A freewill offering is taken each night for the continued support of the City Park Bandshell. Due to inclement weather, the program will relocate to Vangstad Auditorium on the VCSU campus.

Music in the Park is sponsored by the Bridges Arts Council, NewsDakota, First Community Credit Union, Grotberg Electric, Moore Engineering, Myron Sommerfeld family, CVB, Eagles Aerie 2192, Dacotah Bank, Cass County Electric, Valley City Parks & Recreation and the North Dakota Council on the Arts. He continues in saying, "I would just love for the community to get involved with this (project). Hank was a man that always had a helping hand for everyone and this would be such a great way to carry on his legacy and help out such a wonderful and worthy organization as the Shriner's Children's Hospital." Cink challenges folks to start gathering pop tops today and drop them off- by the buckets, bags or handfuls at the VC Eagles Club (345 12th Ave NE) or RC Welding, (2101 West Main St.) saying, "I challenge you (area communities, individuals and organizations) to see who can bring in the most pop tops for Hank."

The Times-Record visited with Jeanie Hass and Patti Hildebrandt, Hank's daughter's, and asked "Why was the Shriner's Children's Hospital so important to your dad?" Jeanie responded, "Our sister, Leanne, died from cancer and he always thought it was important to give back. The Children's Hospital was what he chose because, as he would say, 'That's where you start. You start with the kids.'" She continues, "Dad always said no one should have to watch their children die."

Cink tells the Times-Record that many buckets of tabs have been collected so far but his vision is great and he would like to see pickup loads full, headed down the highway to be donated in honor of their dear friend, Hank.

If you would like to help in the effort please start collecting today and drop off your pop tops at the VC Eagles Club or RC Welding.
