

Dakota Plains FCU holds annual meeting

Dakota Plains Federal Credit Union held their annual meeting on May 6, 2024, at the Lemmon

Senior Citizen Center. Members, along with staff & board members, enjoyed a delicious meal before

the meeting was called to order. The nominating committee recommended three members to the board of directors, and being no nominations from the floor, the vote was a unanimous decision to approve them. Wally Dauwen & Jack Anderson were elected for a 3-year term, and Tori Kling for a 2-year term. Door prizes were drawn from the members that attended.

101 10th St S,

Adams County Weather Outlook

Submitted by
BLAKE RAFFERTY

The Week Ahead:
A beautiful stretch of spring weather is in store, with a mixture of sun, showers, and warm temperatures. A system will pass through on Thursday, but only a few sprinkles are expected. It will usher in warmer air for Friday, with highs reaching the mid 70s. A cold front on Saturday will drop temperatures by about ten degrees, back into the 60s, which is where we will stay through the rest of the forecast period. Another stray sprinkle could fall over the weekend, but right now odds just favor partly to mostly cloudy skies. A larger system propagates into the Northern Plains late Monday. This will bring a better chance for widespread rain showers. There is little agreement between models about where or when rain

will fall, besides that it could start as early as Monday night and persist in an on and off fashion until sometime in the middle of the week. Temperatures will cool as the storm pulls in cooler air from Canada, with highs by Wednesday dropping into the lower 60s. Breezy winds will accompany the showers.
Thursday: Mostly cloudy. A stray shower early. Highs in the mid 70s.
Friday: Mostly sunny. Highs in the mid 70s.
Saturday: Partly cloudy. Highs in the low 60s.

Sunday: Partly cloudy. Highs in the upper 60s.
Monday: Partly cloudy. Highs in the upper 60s.
Tuesday: Mostly cloudy. Chances of showers. Highs in the upper 60s.
Wednesday: Mostly cloudy. Chances of showers. Highs in the low 60s.
Long Term: The end of the month looks to trend on the cooler side of average. In addition, probabilities favor slightly wetter conditions then are average for the end of the month.

47TH PERENNIAL PLANT SALE

FRI, MAY 17TH, 2-4PM

WEST RIVER HEALTH SERVICES FOUNDATION

The 47th Annual West River Health Services Foundation's "Perennial Plant Sale" will take place once again on Friday, May 17th, 2-4pm at the West River Ambulance Garage on Highway 12 in Hettinger. We need you to consider thinning out a few of your perennials and bringing them to the Ambulance Garage on Thursday, May 16th or Friday morning, May 17th. Then, there will be hundreds of perennial plants for everyone to choose from at 2pm sharp on May 17th! We are hoping for a goodwill donation to help fund our "Auxiliary Legacy Scholarship" for a graduating area high school senior pursuing a healthcare-related degree in college. Thank you. Onward to Spring!
