## Registration open for Field to Fork webinars

NDSU Extension will again host the Field to Fork webinar series starting February 2025.

The Field to Fork Wednesday webinars will begin February 12. The webinars will be held online from 2 to 3 p.m. through May 7.

Experts from across the region will provide information about growing, preserving and preparing specialty-crop fruits and vegetables safely in this 10th annual webinar series.

The webinars are free of charge, but pre-registration is required. The webinars will be held on Zoom. Register on the Field to Fork website at [ag.ndsu.edu/fieldtofork](http://ag.ndsu.edu/fieldtofork). Participants will be sent reminder emails with the link.

The webinars also will be archived for later viewing, but participating in the live webinar allows participants to interact with the presenter.

This series is an ongoing collaborative effort with the North Central Food Safety Extension Network which includes experts from NDSU and around the region.

Cards of Thanks are 10¢ per word.

**FRAGODT** - It is with much gratitude that we say "thank you" to the Leeds Ambulance Service and the Leeds Fire Department for their excellent services in the care of our grandson on December 31. We are so appreciative of the members of these organizations who devote their time and energy to our community. Sincerely,

Jim & Marie Fragodt
