Funds needed for creamery demolition, new building

The Esmond Historical Society is now in possession of the old Esmond Creamery. The long-range plan is to put up a new building in its place for the Esmond Museum, which in the few years it has been here has outgrown its spaces. The EHS wants to get the old building down before the snow flies, but needs additional funds to get it removed and be able to start a new building next summer. Any help in labor or funding would be welcome. EHS is a 501(c)(3), so any donations may be used as a tax deduction. For more information, contact Loren at 249-3566 or Roger at 249-3513.
