City council round up

Douglas

The Douglas City Council was called to order by Mayor Jim Porter on Nov. 4.
Visitor to the meeting was Douglas Park Board member Tonya Karlson who proposed the purchase of four lots on block nine to use as a community garden on part of the property. The lots were used as RV's. The market value of the lots is \$17,000. The council approved the purchase of the lots contingent of being able to find funding from gaming grants and/or other state grant opportunities.
Mayor Porter shared that the surveying of the ball field has been completed. After the replating and easement lines are finished, the council will continue with the abandonment of the easement.
The inspection of the old city landfill was finished, and it stated items around it and tires on the shoreline of the slew that needs to cleaned up. The council will evaluate if it's the city's responsibility to clean up or the landowners. The discussion was tabled and will continue.

Butte

Butte Mayor Amy Nechiporenko called the monthly Butte City Council to order on Oct. 6, at 7 p.m.
It was reported that the Halloween Party was to be held on Oct. 26, from 2- 4 p.m.

Alderman Vern Schatz made a motion to hire Ralph's Plumbing to perform routine maintenance on the boiler system. Motion passed.
