City of Kramer Municipal Code – Chapter 1 - Management of Kramer Municipal Code and the Governing Body

1.6.5. Self-Regulation of the Kramer City Council

In accordance with NDCC 40-06-05 the Kramer City Council shall by the procedure herein defined, punish its members or persons present for disorderly conduct by fine, and with the concurrence of two-thirds of its members may expel a member from a session but may not expel a member a second time for the same offense. Any member of the Kramer City Council convicted of bribery shall be deemed to have vacated that member's office. The Kramer City Council may punish its members for the following violations:

- Violations of the City of Kramer rules of procedure for its members. Examples include disorderly conduct during meetings. This shall normally be handled by Reprimand: A formal sanction, less severe than censure, used for violating some codes of conduct, especially for less serious or easily corrected misconduct.
- Violation of the City of Kramer Ethical Code and Conflict of Interest. Examples include using their office for personal gain, failing to disclose or recuse themselves from matters where they have a potential conflict of interest. Depending on the nature of the violation, penalties may range from Reprimand, Censure, and/or Fine and for severe ethical violations the city may seek removal of office through the Office of the Governor of North Dakota.
- Neglect of Duty or Incompetence: Examples include a council member that fails to perform their duties and/or repeatedly fails to attend meetings without a valid excuse or demonstrates incompetence in the performance of duty. Depending on the nature of the violation, penalties may range from Reprimand, Censure, and/or Fine or combination thereof. The salary of Kramer City Council members is tied to attendance at meetings. Failure to attend council meetings without excuse can result in a reduction of salary upon motion by the council and majority approval. Such reduction of salary must apply to the duration of absence as defined by approved city council minutes.
- Conviction of a Crime: Conviction of a serious crime, such as bribery and financial fraud, shall automatically lead to the removal of a council member from office.
- Violations of State or Federal Law: City council members are required to abide by all applicable laws, and violations can result in various penalties, both within the council and through legal action by County and State. In such circumstances, the City Council shall seek removal through the Office of the Governor of North Dakota as directed by NDCC 40-06-05.

1.6.5.a. Due Process

In all such actions, the Kramer City Council shall adhere to the principles of Due Process and a council member accused of a violation generally has the right to present a defense and have legal representation.

1.6.5.b. Penalties

1.6.5.b.(1). Public Reprimand, Censure and Fines Defined:

- Censure: A formal statement of disapproval by the Kramer City Council, which can serve as a public reprimand or potentially include additional measures like revoking certain duties.
- Reprimand: A formal sanction, less severe than censure, used for violating codes of conduct, especially for less serious or easily corrected misconduct.
- Fines: Fines should be accompanied by a censure and are added when violations require more substance to bring about change in behavior. The fine shall be no less than \$25.00 and no more than the council member's quarterly salary as established by City of Kramer resolution. Fines shall be paid to the city auditor and said payments shall be deposited in the General Operating Fund at FNBT.
- Recall election or request for removal through the Office of Governor of North Dakota

1.6.5.b.(2) Removal from Committee Assignments: Limiting the council member's influence and responsibilities.

4.5.1. Failure to Pay Garbage Disposal Fee: The Kramer City Council shall set the penalty for failure to pay the garbage disposal fee for property owners and businesses, regardless of occupancy and/or duration of occupancy at twenty-five dollars (\$25.00) a month until paid. If such a bill is not paid when due, the amount thereof may be assessed against the premises for which the service is rendered and collected and returned in the same manner as other municipal taxes are assessed, certified, collected, and returned.

4.5.2. Dumping of Forbidden Material in City Dumpsters: The City Council shall upon discovery of any unauthorized material discovered within a city dumpster, that can be associated with the violator and based on the scope of violation must result in the violator being fined not less than twenty-five dollars (\$25.00) and no more than five hundred dollars (\$500.00). Furthermore, based on the scope of the violation and at the discretion of the City Council, the individual(s) in violation of the provisions in this chapter shall be directed to remove the material, and in addition to the fines imposed, the violator may also be denied use of the city dumpster for a designated period not to be less than one (1) month and not more than one (1) year.

4.5.3. Violation – Reported by Contracted Service Provider: Should Circle Sanitation of Minot report the dumping of unsanctioned material or improperly disposed of game to the City Council, as defined in Chapter 4 - 4.4.4. Materials forbidden in City Leased Dumpsters, the council shall direct responsible agents to remove non-approved items from the dumpster if Circle Sanitation did not empty the dumpster and correct the violation to the extent possible, and attempt to determine the violator. If the violator can be identified, the City of Kramer shall impose a penalty for the violation of the provision as defined in Chapter 4 - 4.5.2.

4.6.6. Landfill City Inspection and Penalties: The inert landfill is inspected weekly by the City Council. Any unauthorized material discovered within the landfill, at the gates of the landfill, or perimeter of the landfill that can be associated with a violator, and based on the scope of violation, must result in the violator being fined not less than twenty-five dollars (\$25.00) and no more than five hundred dollars (\$500.00). Furthermore, based on the scope of the violation and at the discretion of the City Council, the individual(s) in violation of the provisions in this chapter shall be directed to remove the material from the landfill, and in addition to the fines imposed, the violator may also be denied use of the inert landfill for a designated period not to be less than one (1) month and not more than one (1) year.

City of Kramer Municipal Code - Chapter 5: Management of the City Sewage System

5.6.2. Connecting Sump Pumps: Connecting stormwater, surface water, or groundwater to the sanitary sewer is prohibited in the City of Kramer and violations shall result in a fine of one hundred dollars \$100.00. Furthermore, the condition shall be corrected at the owner's cost.

5.7.1. Failure to Pay Sewer Fees: The City of Kramer shall set the penalty for failure to pay the sewer utility fee for property owners or business and regardless of duration of occupancy at twenty-five dollars (\$25.00) a month until paid. If such a bill is not paid when due, the amount thereof may be assessed against the premises for which the service is rendered and collected and returned in the same manner as other municipal taxes are assessed, certified, collected, and returned.

5.7.2. Violation of Provisions of Chapter 5: The violation of any of the provisions of the City of Kramer Municipal Code - Chapter 5 – Management of the City Sewage Disposal System shall result in a fine of not less than twenty-five dollars (\$25.00) and the no more than five hundred dollars (\$500.00). The only exception is Chapter 5 - 5.7.1., which decrees a specific fine for the failure to pay sewer fees.

City of Kramer Municipal Code - Chapter 7 Regulation of Animals within the City of Kramer:

Any person failing to keep a dog on a physical or electronic leash and observed violating and defecating on the personal property of a citizen of the City of Kramer or public property to include Kramer City Park and perimeter of City Hall must be subjected to a fine consecutively of twenty-five dollars (\$25.00) for the first offense, fifty dollars (\$50.00) for the second offense, and seventy five dollars (\$75.00) for the third offense. Every violation thereafter shall be seventy-five dollars (\$75.00). An additional option for the City of Kramer is to seek an injunction, a court order compelling the pet owner to prevent their dog from entering the property. This is particularly useful for recurring issues where fines prove insufficient to correct the behavior. Furthermore, this penalty applies to all dog owners or handlers within the City of Kramer, if the owner or handler can be associated with the dog. The Kramer City Council honors a photograph of a dog violating and defecating on private property and Kramer City Park and perimeter of City Hall, as sufficient evidence, to enact fines as outlined in CKMC 7.2.4. This evidence establishes the pet owner's responsibility.

7.2.7. Penalty for a Nuisance Cat: Any cat observed violating and defecating on private property or in City Kramer Park, the owner will be subject to a fine of \$15.00 for the first offense, \$25.00 for the second offense, and \$50.00 for the third offense. The Kramer City Council honors a photograph of a cat violating and defecating on private property or the Kramer City Park, as sufficient evidence, to enact the fines as outlined in CKMC 7.2.4. This evidence establishes the pet owner's responsibility.
