The following items were pulled for individual discussion and vote:

Considered the 2026 Mayor's Budget. Maureen Storstad, Finance Director, provided a recap of the budget which includes a 0.25 mill reduction, which brings the budget to an overall 2.97% increase and is under the 3% cap established by 2025 legislative action; sets an estimated 2-26 mill value at \$307,036 as compared to the 2025 actual mill value of \$294,460; includes a change in the allocation of the 1% General Sales Tax to be 53% General Fund, 15.5% Economic Development Fund and 31.5% Infrastructure; Provides for a 2026 General Fund Budget of \$54 million and an overall budget for all funds of \$229.7 million (net of \$19.4 million); Includes a salary increase for employees of 4.4% (2.5% step and 1.9% ECI); Includes a transfer of PSAP personnel to the NDPERS Public Safety Pension Plan; Funding for various capital needs and personnel changes; makes changes in funding for various initiatives under the economic development fund (Air Base Enhancement reduce to \$100,000; Beautification reduce to \$100,000; EDC reduce to \$250,000; and discontinue funding for Arts, Events and Human Needs Programs); and various fee changes. Council Member Sande moved and Council Member Osowski seconded to give preliminary approval of the budget including inclusion of Scenario 1 which was Mayor's Base-line Budget, funding for items in Economic Development Fund (one year of funding for Human Needs and Arts at \$159,135 each; \$650,000 BMX Contribution with \$100,000 Repayment over 10 years; Greenway Downtown Project moving forward with local share repayment to Fund 4154 over 20 years); and inclusion of the PSAP Employees in the NDPERS Public Safety Pension Plan; Introduce the ordinance, set the public hearing for September 15, 2025 at 5:30 p.m. Motion carried 6-1 with Osowski dissenting.

Approved Red River BMX request for funding of capital projects for the Hugo's Raceway as discussed for the Budget of \$650,000, with \$100,000 repayment over 10 years. Council Member Sande moved and Council Member Fridolfi seconded to approve the request. Motion passed 6-1 with Council Member

PUBLIC NOTICE

Osowski dissenting.

Approved acceptance of the Grant Funding Agreement between North Dakota Parks and Recreation Department with City of Grand Forks for Downtown Gateway and Greenway Project — Phase I, Project No. 8525, subject to final review and approval of the City Attorney and any necessary budget amendment. The grant award of \$3,489,750.00 with a 1:1 local match for the total project cost of \$6,979,500.00. The grant match would be initially funded from Fund 4154m, which would be repaid over 20 years. Council Member Berg moved and Council Member Fridolfi seconded the motion, which passed 6-1 with Council Member Osowski dissenting.

Considered an application from the Children's Museum for site authorization at Rhombus Guys, 312 Kittson Ave. Council Member Osowski moved and Council Member Weigel seconded to approve the request. Motion passed unanimously. Council Member Osowski commented that she is glad to see entities trying different funding sources including gaming and would like to continue the discussion of changes in gaming regulations at a future meeting.

Considered the Public Transportation Director Employment Agreement with Kristi Slominski. Council Member Osowski moved and Council Member Berg seconded to approve the agreement. Motion passed 6-1 with Council Member Vein dissenting. Council Member Vein noted that he is in favor of the applicant, but still believes department heads should be Civil Service not contract. Council Members also congratulated Mr. Bergman on his service and impact on public transportation in the community.

Considered the Safe Streets for All Comprehensive Safety Action Plan. Council Member Sande moved and Council Member Osowski seconded to approve the plan with removal of the concepts relating to removing parking on University Avenue and the right-in/right-out on South Washington St., which means the removal of the exhibits from the appendix. Council Members discussed concerns with leaving these items in the plan even as technical options that may not ever come forward for implementation. Upon call for the question, the motion passed unanimously.
