PUBLIC NOTICE

Request for Proposal – Switchboards

KFI Engineers
1100 NP Ave N
Fargo, ND 58102
Office: 701.552.9893

North Dakota Mill
1823 Mill Road
Grand Forks, ND 58203
Office: 800.538.7721

PROPOSALS shall be addressed to North Dakota Mill and sent electronically to the contacts listed below for furnishing the technology and equipment described within.

All inquiries shall be directed to:
Brian Stich , KFI Engineers, Inc., 701.552.1146
Email: bkstich@kfi-eng.com

CC.
Shane Johnson , North Dakota Mill., 701.330.7584
Email: sjohnson@ndmill.com

Section 1: Confidentiality
All project specific information contained in the document is confidential and is the property of North Dakota Mill.

Section 2: Project Description
North Dakota Mill is a grain storage and milling facility. KFI Engineers care of North Dakota Mill is seeking lump sum bids for switchboards as indicated in the attached switchboards specification and elevations.

Proposed Schedule:
Proposals due to engineer: **11/25/25**

Plant Location:
The facility is in Grand Forks, North Dakota.

Section 3: Scope of Supply
The successful bidder shall supply North Dakota Mill with the switchboards as noted in the attached specification.

Schedule:
Timelines for the following are to be provided with the anticipated order date of **December 9, 2025:**

- Equipment delivery schedule
- Equipment Shop drawings with dimensions and weights

Delivery:
North Dakota Mill, 1823 Mill Road, Grand Forks, ND, 58203 is the project site. List the shipping fee as a separate line item.

Taxes:
Exclude all sales tax as this is a tax-exempt project.

Section 4: Performance Guarantees
Please describe the typical structure and scope of performance guarantees in the following areas:

Warranty: Specify Equipment warranty (material and labor), listing both covered Equipment and exclusions.

Section 5: Information Requested with Proposal

- Please provide a firm bid for the proposed project as described herein, including:
- Itemized price sheet per equipment number. Include freight as a separate line item.
- Equipment startup services.
- Provide anticipated equipment delivery schedules including:
- Equipment delivery lead times after approved shop drawings.
- Pricing/Payment:
- All pricing to be freight included DAP Jobsite : North Dakota Mill, 1823 Mill Road, Grand Forks, ND, 58203

Section 6: Submittal Guidelines

- Modifications to this RFP will be by written addendum only.
- Proposals should acknowledge the receipt of all addendums.
- Suppliers shall make no other distribution of the proposals.
- Each copy of the proposal should be bound in a single volume.
- Each proposal should consist of an electronic copy sent to KFI Engineers
- North Dakota Mill will make the selection before December 9, 2025.

A Bid Document shall be completed in its entirety and returned before the closing date for the submission of Bids. Bidders not wishing to submit their quotation shall return all documentation clearly marked "REGRET."

- Acceptance of Bids
- North Dakota Mill reserves the right to accept or reject any tender. It shall be understood that neither the lowest nor any bids will necessarily be accepted. North Dakota Mill accepts no liability for any expenses incurred by any Bidder in preparing and submitting their bid. Any bid that is accepted will be subject to and evidenced by a PURCHASE ORDER that will be issued by North Dakota Mill and countersigned by the bidder, which PURCHASE ORDER shall contain all terms and conditions applicable to such purchase and supersede any and all terms and conditions contained in a bid.

- Validity of Bids
- The bids shall remain valid and open for acceptance for a period of 30 (thirty) days from the bid's closing date. It is anticipated that a PURCHASE ORDER will be awarded within 1 (one) week from bid closing date.

- Bidder Pricing
- Bids are to be fully detailed, and all attachments completed in all respects. Sales Tax shall be shown as a separate sum but shall be included in the total bid sum. Bidders are to submit a fixed price which shall not be subject to escalation.

- Sufficiency of Bids
- The Bidder shall be deemed to have satisfied himself before bidding as to the correctness and sufficiency of his bid for the works and of the rates and prices stated in the priced Schedule of Quantities (if any) and the Schedule of Rates and Prices (if any), which rates and prices shall cover all obligations under the contract, and all matters and things necessary for the proper completion and, where specified, maintenance of the works.

- Modifications
- The bid will be presumed to be completely in accordance with the specification in general and in detail as to the quantities, quality, duty performance, and arrangements.
- Should the bidder wish to offer suggestions or alterations which he believes could affect an improvement to the works (in whole or in part) as specified and would be of interest to North Dakota Mill, these will only be considered if the specifications and conditions as detailed in this document have been complied with.

- Questions, Concerns and Discrepancies
- Bidders are invited to discuss any questions or concerns that they may have or seek the advice of the PROJECT ENGINEER in respect of any matters relating to this bid at any time during bidding.
- Should there appear to be any discrepancies, ambiguities or want of agreement in description, dimensions, qualities or quantities in this contract document, the Bidder shall refer the matter in writing to the PROJECT ENGINEER for this interpretation as to the true intent and meaning thereof. The decision of the PROJECT ENGINEER shall be final and binding.
- The PROJECT ENGINEER'S decision with respect to any questions will be issued in writing to all bidders.
