We can help you save with Lifeline.

Verizon Wireless participates in the Lifeline program, which is a government assistance program that offers qualified, low-income customers a discount on their monthly wireless service. Only eligible customers may enroll in the program.

You may be eligible for a Lifeline discount if you currently participate in a qualifying public assistance program or otherwise satisfy the federal income requirements. The Lifeline discount is limited to a single line of service per household. Eligible customers may apply the Lifeline discount to either one landline or one wireless number, but you cannot have the discount on both services. Other service providers may use terms other than "Lifeline" to describe the Lifeline discount. The Lifeline service may not be transferred to any other individual. Applicants may be required to present documentation of household income or participation in qualifying programs. Consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment, or may be barred from the program.

To apply for Lifeline service, you must use the National Verifier. To see if you qualify, go to: lifelinesupport.org. You can also print and mail a copy of the application. Once you have applied and been approved, call us at 800-417-3849. Lifeline is only available in limited areas in Iowa, New York, North Dakota and Wisconsin where Verizon Wireless has been designated to offer these programs.

verizon

Taxes, Surcharges and Fees: We use your service address for each wireless service line to determine how we bill taxes, other governmental charges and Verizon surcharges (which are Verizon's charges, not taxes). As of September 1, 2025, for service other than 5G Home and LTE Home (which are not subject to these charges), these charges can add between 15% and 50% to your standard monthly access and other charges, and may include a Federal Universal Service Charge (36.0% of the interstate and international telecom charges; varies quarterly based on FCC rate), Regulatory Charge (\$0.21 per voice line, \$0.02 per data-only line) and Administrative and Telco Recovery Charge (\$3.78 per voice line, \$3.97 per data-only line). Taxes, other governmental charges, tariffs and Verizon surcharges are subject to change. For more details on these charges, call 1-888-684-1888. © 2025 Verizon Wireless
