

Isaac McCloud fires a pass to a teammate during North Prairie’s Region 3 Tournament game last week. The Cougars fell to the North Star Bearcats, putting an end to the squad’s 2024-25 campaign.

Fish houses, scholarships and big game

Unoccupied fish houses must be removed from all waters beginning March 15.

Fish houses may be used after March 15 if they are removed daily.

In addition, anglers are encouraged to look around and clean up the site if any trash is found left behind.

Anglers are advised to use caution while accessing area lakes. Ice conditions can vary from region to region, between lakes in the same region, and

even on the same lake.

The North Dakota Game Wardens Association is sponsoring scholarships for the fall semester for higher education students interested in majoring in wildlife law enforcement or a related field.

Applications must be submitted by email to ndgamewardens@gmail.com no later than May 1.

Harvest statistics released by the North Dakota Game and Fish Depart-

ment show overall hunter success during the 2024 season was 100% for bighorn sheep, 92% for moose and 64% for elk.

The department issued six bighorn sheep licenses and auctioned one. All seven hunters harvested a bighorn ram.

The department issued 238 moose licenses last year. Of that total, 229 hunters harvested 210 animals – 125 bulls and 85 cows/calves.
