“Stranger Things: Season 5, Volume 1” (TV-14) — The hit Netflix series that began in 2016 is finally reaching its culmination with its fifth season, which premieres on Nov. 26. Although the season will be released in volumes, with the second volume premiering Christmas Day and the finale on New Year's Eve, fans are excited to see how their favorite characters' stories will conclude after so many years of being invested in the series. Picking up a year after the events of the fourth season, the season starts during the fall of 1987 after the “Rifts” have been opened in Hawkins, and our favorite group of misfits are preparing for battle against Vecna. Meanwhile, the military seeks to capture Eleven (Millie Bobby Brown) again in Hawkins. Get ready for lots of action, tense scenes, and heartache. Let's see how “Stranger Things” ends! (Netflix)

“Malice” (TV-MA) — This new psychological-thriller series starring Jack Whitehall (“Robots”) and David Duchovny (“Adam the First”) just premiered its first season, and all six episodes are out now to binge! Whitehall plays Adam Healey, a tutor/nanny who signs on to accompany a wealthy family during their vacation. Although Adam seems kind, nurturing and helpful in the beginning, his aura puts some of the family on edge as they can't seem to figure him out. But when the patriarch of the family, Jamie (Duchovny), watches his life begin to unravel, he realizes that somebody is out to get him. What he doesn't realize is that the culprit might be under his own roof. (Amazon Prime Video)

“Bride Hard” (R) — Rebel Wilson (“Juliet & Romeo”) and Anna Camp (“A Little Prayer”) are teaming up together again after their

“Pitch Perfect” days together for this action-comedy film releasing on Nov. 28. The film picks up as maid of honor Sam (Wilson) is trying her best to fulfill her duties to her best friend, Betsy (Camp), but neither her best friend nor the bridal party know that Sam is actually a secret agent. Sam's hidden secret-agent activities cause tension with the rest of the bridal party, but even after her planned bachelorette party goes wrong, Sam still wants to support Betsy. Fast forward to the wedding, where killer mercenaries show up to steal from Betsy's fiance's family, and Sam might be the only one who could save her best friend's wedding day. This pick is perfect for a night in with the girls or those looking for an easy watch. (Hulu)

Courtesy of Netflix

From left, Gaten Matarazzo, Finn Wolfhard, Caleb McLaughlin and Noah Schnapp star in “Stranger Things: Season 5.”

“The Family Plan 2” (PG-13) — Surprisingly, Mark Wahlberg's 2023 film “The Family Plan” was greenlit for a sequel with Michelle Monaghan (“The White Lotus”) returning, as well as Zoe Coletti and Van Crosby, who portray Wahlberg and Monaghan's children in the movie. Similar to the first movie, the Morgan family are attempting to live a normal life amid Dan's (Wahlberg) past as an assassin. They travel to London for Christmas so that they can spend the holidays with their daughter who is abroad, but Dan encounters someone from his past — a man named Aidan (Kit Harrington) who is determined to take over the network of assassins that Dan's father built. So, it's time for the Morgans to once again put their family plans on hold and get down to some dirty business. Out now. (Apple TV+)

Apply now to help shape lifesaving services in your community!

Email Joni @ jswearson@gmail.com for a full job description and application.

Position is open until filled.

Make Rosemary Cashews for Holiday Giving

This time of year, my holiday traditions begin with a gathering of five neighborhood friends for an early-morning coffee klatch at one of our houses. We originally met when our sons were just 5 years old, and our friendship continued through Cub Scout activities, softball games, bike rides, and picnics at the neighborhood park. Off they went to college, and now we attend their weddings together.

Since we still live within blocks of one another, we take turns hosting the annual get-together. For the one in charge, it's an opportunity to use our fanciest or quirkiest tableware for serving fruit, pastries and coffee. We exchange little memorable, sometimes homemade gifts, too. I like to bring something from my kitchen, like this rosemary cashew appetizer/snack I prepared last year.

The tasty cashews were such a hit that I decided to make the recipe in multiples this year and fill up wide pint-sized canning jars that I picked up at the store. Tied with a holiday ribbon, gift tags, and a shiny mini-sized gold ornament for extra bling, it is a unique, personalized gift to have on hand to give to the hosts of family holiday parties and other events we attend.

Make these in an afternoon with your school-aged kids who can assist in doing a step or two. For starters, let them take

Combine the rosemary, brown sugar, salt, melted butter and pepper (if you want an extra kick) in a large bowl. When the cashews are heated, immediately pour them in the bowl with the spice butter mixture. Toss thoroughly.

Cool and serve. Store in an airtight container up to two weeks.

Cook's Note: If you prefer, substitute 1 tablespoon pure maple syrup for 1 tablespoon brown sugar.
