PUBLIC NOTICE AND NOTICE OF PUBLIC HEARING CITY OF HAGUE, NORTH DAKOTA

The City of Hague plans to submit a Community Development Block Grant (CDBG) application to the State of North Dakota, Division of Community Services (DCS). CDBG funds are intended to provide decent housing, suitable living environments, and economic opportunities, principally for low and moderate income persons through rehabilitation and preservation, economic/job development, and public facilities improvements.

The application being considered would request $836,780 for rehabilitation or replacement of existing sanitary sewer mains and manholes to provide reliable wastewater service throughout the City of Hague. It is estimated that approximately 94% of the CDBG funds would benefit low and moderate income persons. Permanent involuntary displacement of neighborhood persons or businesses is not anticipated.

A public hearing will be held at 5:30pm on December 7, 2026 at the Hague Diner (220 Main Ave W, Hague, ND 58542) to obtain citizen views and to respond to proposals and questions related to:

The proposed CDBG application for sanitary sewer system improvements project.

Community development and housing needs, including the needs of low and moderate income persons, as well as other needs in the community that might be addressed through the CDBG program, and

The performance of the City of Hague in carrying out its community development responsibilities.

Written comments are also welcome and must be received by December 6, 2026 at 10050 18th Ave SE, Hague, ND 58542. Oral and written comments will be considered in deciding whether to submit applications for the proposed projects.
