

Mor-Gran-Sou Electric Cooperative awards scholarships

Every year, Mor-Gran-Sou Electric Cooperative awards scholarships to high school seniors within its service area.

“This initiative embodies the cooperative’s unwavering commitment to community growth and celebrates the achievements of dependents of its members,” said Julie Armijo, Member Services Manager. “By recognizing students’ outstanding accomplishments, Mor-Gran-Sou Electric honors students’ drive, resilience and passion for the future.”

This year Mor-Gran-Sou Electric awarded ten scholarships. Eight of those were scholarships given on behalf of Mor-Gran-Sou Electric to area seniors, while two scholarships were in partnership with Basin Electric Power Cooperative. Mor-Gran-Sou Electric is fortunate to have partners who are investing in the future of its members. This year’s scholarship recipients are as follows:
