

PUBLIC NOTICE

NOTICE OF SPECIAL ELECTION NEW SALEM-ALMONT SCHOOL DISTRICT NO. 49

NOTICE IS HEREBY GIVEN that a Special Election of New Salem-Almont School District No. 49 will be held on Tuesday, November 3, 2026, for the purpose of submitting the following question to the qualified electors of the district:

Shall the Reorganization Plan of the New Salem-Almont School District be amended as follows?

Beginning with the school board election held in June 2027, one (1) school board member position currently designated for the Sims District shall be changed to an at-large position, allowing all qualified electors of the New Salem-Almont School District to vote for and be eligible to serve in that position. The remaining six (6) school board member positions shall continue to be elected from their existing geographic areas according to the current Reorganization Plan and election schedule.

Voter Explanation: Approval of this measure would convert the school board position currently designated for the Sims District into an at-large position beginning in June 2027. All school district voters would vote for that position, and any qualified school district resident could run for election. The other six board positions would remain unchanged.

The polling places for the election shall be the New Salem Auditorium and the Almont Fire Hall during the regular general election. Polls will be open from 7:00 a.m. to 7:00 p.m.
