Funny or not, here it comes

- What does a clock do when it's hungry? *It goes back four seconds.*
- If cookies are "biscuits" in Britain, *shouldn't British websites use "biscuits?"*
- England does not have a kidney bank. *But it does have a Liverpool.*
- Someone tried to sell me a coffin today. *I said that's the last thing I need.*
- My daughter can't decide whether she wants to be a hairdresser or a short story writer . . . I guess she'll have to flip a coin . . . *heads or tails.*
- The U.S. should add 3 more states. Because 53 is a prime number. *Then they can truly be one nation, indivisible.*
