

UNCLAIMED CAPITAL CREDITS

Listed below are the names and last known addresses of past members who have not claimed capital credits which are available for payment. If your name is listed or you have address information for someone listed, please write BEK Communications Cooperative, PO BOX 230, Steele, ND 58482, call 1-888-475-2361 or email bekcomm@bektel.coop.

We need to hear from the individuals on the list before a check will be issued.

Under N.D.C.C. 10-15-34.1, any capital credits which remain unclaimed six years after the date authorized for retirement will be forfeited back to BEK Communications Cooperative. Any amount forfeited shall revert to the domestic cooperative, as contributed capital, if, at least six months prior to the declared date of forfeiture, notice that such payment is available has been mailed to the last-known address of the person by the records to be entitled thereto, or if the address is unknown, notice published.
