MCINTOSH COUNTY PROCEEDINGS
October 22, 2026 7:30 a.m.

The meeting was called to order by Chairman James Goettle. Present were Jim Heinrich, Steve Delzer, Luke Schneider, Ray Kaseman, Todd Dohn, Wade Bergren, Mike Bosch, Tim Ruff, Jeremy Goeble and Kirby Kaseman.

Commissioner Goettle opened up the meeting for the Highway Department employees to voice any concerns, issues or things that need to be done. Issues brought up were as follows

- Unable to mow ditches as the shaft on the mower is broken
- Secondary roads will not get cut this year
- Would like to start cutting cma ditches the last week in September
- Need road maintenance MOUs with all bordering counties, and with cities
- Bordering county ditches are not getting cut and have small trees in the ditches
- Need to prepare and level off windrows for snow removal.
- Maintenance of Private Drives
- Walk-n-Roll Packer – Works but would like different ones
- Road Equipment and Shop Equipment needs
- Dispose of old obselete equipment – Sell anything of value
- Trees in the ROW
- Hay Bales in the ditches will be marked
- Graveling – Document areas that need for next year
- Need to-do list to prioritize work for next year
- Hwy 23 is getting bad
- Available Grants – New Supervisor
- Hwy 35 – Dust Control, would like to reduce speed limit for all vehicles to 45 mph. Commissioner Heinrich moved to reduce the speed limit to 45 mph for all vehicles seconded by Commissioner Goettle. All in favor. Motion carried.
- Minimum maintenance Roads every other year
- Put "No Winter Maintenance Signs Out"
- School Bus Routes during snow
- Schlenker Dam Road – 12' drop, Culvert in fence
- Voluntary reduced work schedule during winter months

There being no futher business, Commissioner Heinrich moved to adjourn. Commissioner Goettle seconded. Motion carried. Meeting adjourned.
