**SALE OF FARMING & GRAZING LEASES ALLOTTED INDIAN LANDS**  
**DEPARTMENT OF THE INTERIOR BUREAU OF INDIAN AFFAIRS**  
**TURTLE MOUNTAIN AGENCY BELCOURT, NORTH DAKOTA 58316**

Sealed bids will be received until **3:00 P.M., June 26, 2026** and publicly opened at that time at the Turtle Mountain Agency, Belcourt, North Dakota for the leasing of **31 tracts**, comprised of **3474.23 acres** of trust allotted lands.

Bids will be considered for grazing, hay or farming of lands described on the attached sheets for a period of one to five years for those leases which do not require substantial improvements. Bids may be submitted for a tenure of up to ten years for those leases requiring substantial improvement or investment in the development of the lands (brushing, fencing, water development, etc.). **ANY BID RECEIVED FOR A TENURE OF MORE THAN FIVE YEARS MUST BE ACCOMPANIED BY A STATEMENT OF IMPROVEMENTS TO BE COMPLETED AND THE APPROXIMATE COST FOR EACH IMPROVEMENT.** All bids must cover an entire tract as advertised. Leases are subject to all existing homesite areas, pursuant to the Indian Land Consolidation Act of 2000. All leases prepared pursuant to this advertisement will commence upon approval, unless otherwise indicated and will be subject to cancellation in the event of a sale or at the end of the contract year in which the sale is made.

The Superintendent, Turtle Mountain Agency, has the authority to grant leases on all tracts offered for and on behalf of the landowners pursuant to the Act of July 8, 1940, (54 Stat. 745, 25 USCA 380), 25 CFR 162.602 a, b & c, and the Act of December 3, 1993 (107 Stat. 2017, 25 USC 3715) and Powers of Attorney executed pursuant to 25 CFR 162.601 (a) (b) (1) (2) (3) (4) & (5). **IT IS, THEREFORE NOT NECESSARY FOR THE LESSEE TO OBTAIN THE SIGNATURES OF THE LESSORS, UNLESS OTHERWISE INDICATED.**

Each bid on grazing land shall be a cash amount to be paid in advance each year of the lease. Bids on farm lands located in Rolette County may be either cash or crop share. However, crop share bids must include a detailed plan of land use and crop rotations indicating acreages and specific crops or an annual cash guarantee. Such guaranty shall be the determining factor in awarding the lease. Improvements to be placed on leased premises may be removed at the end of the lease period, **if provisions for removal are stipulated on the bid form.** Proposals for new breaking, fencing, etc., to be considered part of the rental should also be included on the bid form. If the high bid in the same amount is received from two or more bidders, an oral auction will be held on a specified date for awarding purposes. **Owners of trust land that are being advertised for lease shall be given the opportunity to meet the high bid. The owner claiming owners use must submit a bid before they will be allowed to meet the high bid.**

No further bidding by a non-owner will be allowed. In the event that more than one owner wishes to meet the high bid, an oral auction will be held on a specified date for awarding purposes.

All bids shall be submitted on the form which is attached hereto.

**NO BID DEPOSITS WILL BE REQUIRED.**

Within 20 days after notification of being the successful bidder, the bidder must remit the balance of the first year's rental and a filing fee for each lease, and shall file with the Superintendent the lease in completed form. The Superintendent may, for good and sufficient reason, extend the period for completing and filing the lease, but no extension shall be granted for submitting the balance of the monies due. Failure by the bidder to deposit all monies due within the period allowed will result in the forfeiture of his deposit for the beneficial use of the Indian owners. **BIDS WILL ONLY BE ACCEPTED FROM LESSEES IN GOOD STANDING. ANYONE WITH OVERDUE RENTALS WILL NOT BE AWARDED ANY TRACTS UPON WHICH THEY MAY BID.**

The Superintendent reserves the right to reject any and all bids and to waive any informality or technical defect in the bids received whenever such rejection or waiver is in the interest of the Indian owners or the United States. The Superintendent further reserves the right to approve, with consent of the lessor and subject to payment of reasonable damages, if any, to the lessor, the right to grant rights of way and prospecting permits on or across the land during the term of the lease. The right is also reserved for Government Employees to enter upon the premises for lease compliance inspections during the term of the lease. A lease clause concerning participation in U.S. Department of Agriculture (USDA) programs shall be added to all leases where applicable.

The lessee shall cooperate and participate in programs of the USDA that will yield a benefit to and for said land by establishment of base acreage and allotment. There shall be nothing in this lease agreement expressed or implied that shall permit the removal of any crop allotment or benefits from said land either during or at the termination of the lease. It is expressly agreed by all parties concerned that the lessee will participate in programs of the USDA for which the farm is eligible, this includes signing up the land each year with FSA. The land shall be continually cropped in such a manner as to establish and maintain crop histories in order to render the land eligible for participation in various USDA programs. The lessee shall carry catastrophic crop insurance on landowner's portion of the crop. The level of coverage shall be not less than what is required by the Farm Service Agency.

All lease contracts will be prepared in favor of the successful bidder by the Turtle Mountain Agency on Departmental form 5-5441 in accordance with regulations of the Secretary of the Interior as set forth in the Code of Federal Regulations, Title 25, Part 162 and amendments thereto.

Each prospective bidder should check the Soil Conservation activity at this agency prior to bidding to examine the Plan of Conservation practices and special provisions that will be made part of each lease. The Plan of Conservation will indicate the type of land in each tract. These conservation practices must be followed and periodic checks will be made to determine if violations occur. We strongly encourage prospective bidders to inspect any property on this advertisement prior to submission of a bid.

Successful bidders must pay required lease and filing fees in accordance with existing regulations. Bonding allows for Corporate Surety, Letters of Credit and Certificates of Deposit. A power of attorney form or assignment of time savings account form is required with a Certificate of Deposit, appointing and empowering the Secretary of Interior, or his authorized representative in the event of any breach of lease, to pay over the specified amount as liquidated damages to or for the benefit of the lessors.

**Successful bidders must complete their lease contract within 30 days unless they request in writing and are granted additional time from the Bureau of Indian Affairs Superintendent. If a lease is not completed within 30 days, the lease will be awarded to the next highest bidder.**

**ALL BIDS MUST BE ADDRESSED TO, AND PLAINLY MARKED:**  
**Superintendent, Turtle Mountain Agency**  
**"Bid for Lease Advertisement TM-26-02" PO Box 60**  
**Belcourt, North Dakota 58316**

**Bids must be mailed to the Agency or dropped off for consideration prior to the bid opening. No faxed bids will be accepted.**
