

Notice to Cut Roadsides

WATSON TOWNSHIP

It is the duty of the landowners or operators to cut all weeds, grasses and to trim trees along the township roads. Such cutting shall be completed by October 16, 2026.

If the landowner or operator fails to comply with the required maintenance along township roads, the cost to perform maintenance will be charged to the landowner or operator by the Watson Township Supervisors.

Any excessive road damage caused at harvest time will be repaired at the expense of the landowner or operator.
