 write-in vote.  
 Ross will elect a mayor with Julie Woodbury on the ballot. They will also elect two council members, which will be elected by write-in as no candidates are on the ballot.  
 In the City of Stanley, Marlin Ranum is running for mayor. With three council seats up for election, Darren LeRohl, Jesse Weyrauch and Kris Halvorson are running. There are also three park board members to be elected with Christopher Schneider, David Brown and Matthew Meiers running. With no candidates on the ballot for municipal judge, that seat will be determined by write-in.  
 White Earth will be electing two council members for four-year terms with Gary Fladeland and Jerald Ogden on the ballot. They will also elect one council member to fill an unexpired two-year term with Brenda Rohde and Rebecca Fladeland on the ballot.  
 There is one statewide measure on the ballot. Initiated Constitutional Measure No. 1 was placed on the ballot by action of the 2025 North Dakota Legislative Assembly with passage of Senate Concurrent Resolution No. 4007 (2025 Session Laws, Chapter 610). If approved, this constitutional measure would amend and reenact section 9 of article III and section 16 of article IV of the Constitution of North Dakota, relating to requiring each resolution adopted by the legislative assembly proposing a constitutional amendment and each initiative petition and measure proposing a constitutional amendment be comprised of a single subject. The proposed amendment would require constitutional amendments to be limited to one subject. The Secretary of State shall not approve an initiative petition for circulation if the Secretary determines that the proposed amendment comprises more than one subject. Additionally, the legislative assembly is required to limit proposed amendments to the constitution to one subject. The estimated fiscal impact of this measure is none. Voting "YES" means you approve the measure summarized above. Voting "NO" means you reject the measure summarized above.  
 Voters in Stanley will see one measure on their ballot to extend the city sales and use tax as allowed by the Home Rule Charter. The tax is currently set to expire on December 31, 2026. The measure would authorize another term of six (6) years from the date of the passage of the measure, ending December 31, 2032. A "yes" vote means you approve the continuation of the 1½% city sales and use tax for an additional six years. A "no" vote means you do not approve the continuation of the 1½% city sales and use tax.  
 Ross voters will have a city measure regarding publication of minutes. A "yes" vote means you approve the publication while a "no" vote means you reject the publication.  
 New Town School District voters will be electing two board members. Douglas Bratvold is on the ballot to represent the City Area #1 and Pete Young Bird is on the ballot to represent the west area.
