# Post 18 teams doing well on the diamonds

Mark Frost | Sports Writer

It was another busy week for the Hope/Cooperstown Babe Ruth teams as they took on May-Port 1 and Northern Cass this past week. The Patriots scored 10 late runs to grab a 17-5 win, while Tyler Overland tossed a gem in a 5-2 win over Northern Cass. On Monday, June 22, Post 18 had a good showing, a 7-4 loss to league leader Thompson 1. Post 18 hops back into play on Tuesday at Hatton-Northwood and will host Carrington on Wednesday.

The Hope Pee Wee team is playing well and improving week by week. This week is a busy one for them with games against Buffalo, Midkota, HCV Blue and HCV White. The Pee Wee Tournaments will be played in Mayville on Monday, June 6 and Tuesday, June 7.

## From the dugouts of Section 6

Mark Frost | Sports Writer

The Legion teams in Section 6 have been battling the rain showers to get games in this past week and are hoping for more favorable weather this week. The Thompson Tommies got a pair of section wins over May-Port (6-5) and Oak Grove (13-3) last week before falling to Grafton (6-4) in non-section play. The Tommies have three important section games this week, beginning on Tuesday with Hatton-Northwood, followed by a Wednesday tilt with Northern Cass, and they finish their week on Thursday by traveling to HCV. Coach Soulis is looking for a little more consistent play from his team on the mound, on the field and at the plate this week.

Coach Kevin Lokken and his HCV Blue Sox got a very important doubleheader sweep of the Northern Cass Sodbusters (9-2/17-4) after losing to Hatton-Northwood (7-4) earlier in the week. The Blue Sox also have three crucial section games this week starting on Monday at Hatton-Northwood and Tuesday at Oak Grove, as well as hosting the Tommies on Thursday. Coach Lokken is looking for some timely hitting with men on base and he would like to see his pitchers cut down on their walks.

The Hatton-Northwood Honey Badgers were one of the teams affected by the weather, but they won their only game of the week over HCV (7-4). Coach Nelson's team will face two of the section favorites in the HCV Blue Sox on Monday and the Thompson Tommies on Tuesday. They have a non-section game at Grafton on Friday. Coach Nelson was very pleased with their win over the Blue Sox last week and hopes his team can use that momentum this week. He is getting some pitchers back from injury to help lengthen the pitching staff.

The May-Port Patriots went road

tripping last week after falling to the Tommies (6-5); they traveled to Omaha for a tournament, where they went 2-2. This week, the Patriots have home and away matchups with Northern Cass. Coach Kellen Enget said the team represented well in all facets. They competed well and, if given a chance in the future, he would like to do it again.

The Oak Grove Jacks fell to the Tommies (13-3) in their only game last week and, without any games on the schedule, Coach McColough headed to Omaha to watch the College World Series. While he was down there, he got to watch Brayden Mitchell and Landon Koenig, who were former players in the area. The only game on the Jacks' schedule this week is the HCV Blue Sox on Tuesday. Coach McColough is happy with the progress of his young players as they battle busy summer schedules. He hopes they continue to improve throughout the summer and can put it together at tournament time.

Once again, I was unable to connect with Coach Husar, but I will continue to reach out. The Sodbusters jump back into section play on Tuesday with May-Port and Wednesday they go to Thompson. On Friday, they have a rematch with the Patriots in Mayville.

My Question of the Week was "Do you like the ABS (Automated Balls and Strikes) being used in Major League Baseball?" For the most part, the coaches like the challenge system that got put in place for pitchers, catchers or batters to challenge the umpire's ball/strike call. Each team has two challenges and if you lose the challenge, you also lose a challenge. So far, I think it is much better than basketball and football because it is a lot quicker. Could we be looking at AI calling all balls and strikes in the future, who knows?

## Garden from Page 1

Pipeline Corporation, and a Finley Improvement Association grant. The chemical totes that line the planters were provided by Don and Dave Nygaard.

"Most of the soil was provided by the Steele County Highway Department," said Vig. "A Junior Master Gardener grant helped fund new peat moss to be incorporated after they moved to the new location, seed, and watering equipment. The FFA chapter also funds seed and other necessary equipment when needed. The Extension office starts seeds each year for flower starts."

Both Vig and Erman said that this is a project they would like to see happening again in the future. They hope to continue providing a space that helps beautify and benefit the community.
