further discussion until the next meeting, when Howard is expected to attend and share his plans.

Council members approved a propane contract with Tuttle Elevator at a

rate of \$1.35 per gallon for 1,200 gallons. The contract deadline is January 2026.

Discussion was also held regarding fire hydrant maintenance, with a reminder issued to en-

Continued from page 7

sure snow is cleared from around hydrants.

Council members were informed that Moore Engineering will provide a full report on the lift station project at the next meeting. The council also discussed a potential computer program for utility billing, with Jared from Core & Main checking into available options.
