## FAIR

Continued from page 15

“That’s just wild,” Schell said with a laugh. “It’s awesome.”

At its core, she said, the fair continues to be about community – bringing people together through a mix of tradition, entertainment and shared experience.

“We’ve had lots of good

feedback and lots of compliments,” Schell said. “People really appreciated the variety.”

And with another successful year in the books, that variety – along with continued improvements – is expected to carry forward into next summer.
