Special Board  
Meeting**

In attendance: Board Members by phone Jesse Biesterfeld, Kylee Schuh, Kerri Benning and Troy Speten, in the office Superintendent Andrew Jordan, and Business Manager Jenna Kirchmeier. Absent: Board Member Jessica Oswald

Superintendent Jordan reported that after speaking with Neumiller Auctioneers, the sale will be conducted through a national auction platform that requires a minimum bid of \$1,000 for dwellings, and this amount cannot be adjusted. As a result, the district's options are to either remove the portable prior to the auction or leave it in place to be sold.

It was also noted that bids cannot be denied once placed through the platform.

Photos of the items available for auction can be viewed on the Neumiller Auction website for those interested in reviewing them.

Biesterfeld/Benning moved to keep portable on Neumiller Auctioneer website. Roll call vote: Biesterfeld - yes, Benning - yes, Speten - yes, Schuh - yes. Motion Carried.

Meeting adjourned at 12:19pm
