Analysis of Initiated Constitutional Measure No. 1 (Senate Concurrent Resolution No. 4007, 2025 Session Laws, Ch. 615)

Initiated Constitutional Measure No. 1 was placed on the ballot by action of the 2025 North Dakota Legislative Assembly with passage of Senate Concurrent Resolution No. 4007 (2025 Session Laws, Chapter 610). If approved, this constitutional measure would amend and reenact section 9 of article III and section 16 of article IV of the Constitution of North Dakota, relating to requiring each resolution adopted by the legislative assembly proposing a constitutional amendment and each initiative petition and measure proposing a constitutional amendment be comprised of a single subject. The proposed amendment

would require constitutional amendments to be limited to one subject. The Secretary of State shall not approve an initiative petition for circulation if the Secretary determines that the proposed amendment comprises more than one subject. Additionally, the legislative assembly is required to limit proposed amendments to the constitution to one subject.

The estimated fiscal impact of this measure is none.
